## WHAT OUR CLIENTS SAY

"Just love our pleated screens - thank you for such great service - the installers are a real credit." *Linda*

"My new Crimsafe doors are just brilliant - loving the airflow through the house while still feeling safe." *Debbie*

"Our new Umbrella is FABULOUS I love it !!! It's totally transformed our deck area and has been put to good use already. Thanks for everything." *Natalie*

## SCREENS & SHADES TO FIT YOUR LIFESTYLE

[pomssauckland.co.nz](http://pomssauckland.co.nz)

## SECURITY SCREENS

When it comes to security for your property don't settle for less than the best. Crimsafe remains the industry leader in stainless steel security systems and Peace of Mind is NZ's Exclusive Authorised Licensee & Manufacturer.

- Security doors
- Security windows
- Patio enclosures
- Cyclone screens

All security screens are made to measure, coloured to your choice, installed by our trained technicians for your Peace of Mind!

## INSECT SCREENS

Enjoy fresh air in your home, while keeping out flies, mozzies, and other flying insects. Because no one property is the same, we offer a variety of high-quality screen options to suit different requirements.

- Roller retractable
- Pleated retractable
- Magnetic

Custom made and installed to your size requirements. Suitable for windows, hinged, sliding, bi-fold and French doors.

## OUTDOOR SHADE

Spend more time outdoors, by adding shade and privacy to your outdoor space. We can assist to transform your outdoor living area with options such as:

- Retractable Wave shades
- Overhead Roller Shades
- Fixed shade sails
- Outdoor blinds
- Privacy Screens

- Awnings
- Fixed or pivoting Umbrellas

Whether you have a tiny patio, balcony, large deck or pool area, we have you covered!

## DESIGNER SCREENS

Enhance the character of your home with a screen door or window in a modern, contemporary, Art Deco or old world design.

- 6mm zinc coated steel patterns
- 3mm laser cut aluminium panels

Available in 2 types of screen inserts:

All designer screens are made to measure, coloured to your choice, installed to instantly add the Wow factor to your property!
