The future of flooring is here

# Duracore® Silent

# Duracore® Ultra

# Duracore® Lifestyle

Duracore® is best in class, supported by a proven track record and years of success in New Zealand. Duracore® has established a commitment to innovate in both product tech and sustainability.

This cements Duracore® as a leader in the Rigid Flooring category in New Zealand.

Not all rigid flooring is created equal, committed to innovation that works for New Zealand conditions, Duracore® is rigorously tested overseas and here at home to ensure Duracore® offers real solutions for real kiwi buildings.

Duracore® Benefits

Eco Friendly & Sustainable

Engineered for New Zealand

Scratch & Dent Resistant

Easy to Install

100% Pet Proof

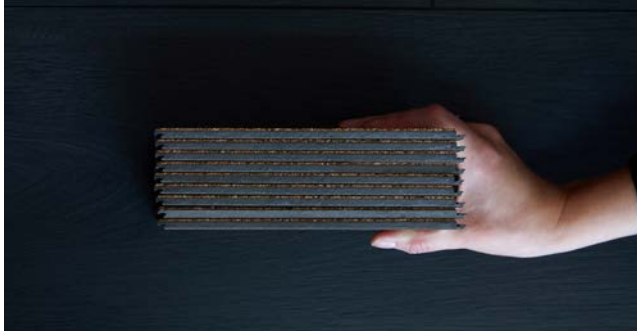

Reduces Noise Transfer

100% Waterproof

Silica Free

# Duracore® Silent

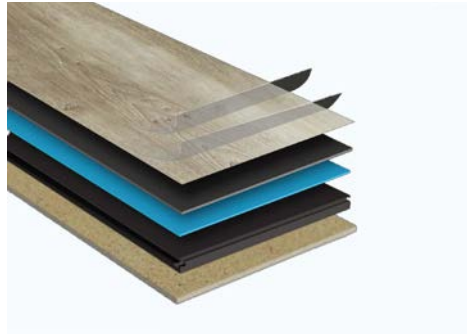

## A New Zealand First

Quite possibly the quietest floor on the market.

Acoustically clever, sustainable and incredibly beautiful, Duracore@Silent™ is the next generation in rigid flooring offering market leading acoustic solutions for New Zealand buildings.

The new patented acoustic technology is embedded deep within the core, so when combined with Duracore's existing acoustic capabilities, reduces sound transfer by a market leading 21dB. That means no costly additional underlays, no glues, faster installation, exceptional durability and the most timber looking aesthetic technology available.

Duracore@Silent™ is the all-round solution for the future of flooring. Testing at IIC68, 20% above the NZBC G6 requirements.

## Silent

Board Size:  
1532 x 232 x 7.5mm  
(incl. 1mm cork)

### Patented Acoustic Core Technology

Acoustically Clever and with tech at its absolute core, Duracore® Silent™ tests 6x quieter than other rigid floors and 3x quieter than laminate flooring.

### BeLite® Patented Core Technology

Making Duracore® the sustainable way reduces the use of total core material by up to 20%. It cuts transport costs by at least 6% and saves CO2 at every stage of a panel's journey, from factory to installation.

### 1 mm Pre-Attached Cork Underlay

Natural cork further enhances Duracore's acoustic quality, it's naturally hypoallergenic and copes well with moisture. Extra strength insulation that's gentle beneath the soles of your feet.

### 100% Water Resistant

The look and feel of premium hardwood with the benefit of being 100% waterproof and super scratch resistant.

### PremiumNatureCoat™

Smart and beautiful, giving Duracore® Silent™ its unmatched oiled-oak look and feel.

## Lifestyle

Board size:  
1532 x 225 x 6.5 mm  
(incl. 1.5mm cork)

### 1.5mm Pre-Attached Cork Underlay

Natural cork further enhances Duracore's acoustic quality, it's naturally hypoallergenic and copes well with moisture. Extra strength insulation that's gentle beneath the soles of your feet.

### BeLite® Patented Core Technology

Making Duracore® the sustainable way reduces the use of total core material by up to 20%. It cuts transport costs by at least 6% and saves CO2 at every stage of a panel's journey, from factory to installation.

## Ultra

Board size:  
1842 x 230 x 6.5  
(incl. 1.5mm cork)

### Rigid Mineral Core

100% waterproof, stable, rigid, scratch and dent resistant.

### 100% Water Resistant

The look and feel of premium hardwood with the benefit of being 100% waterproof and super scratch resistant.

### Armorcoat™

Incredibly tough and beautiful, giving Duracore® Lifestyle™ its superior performance in the areas that matter. Stain, scratch and wear resistance.

Duracore® Lifestyle & Ultra / Albany Showroom

Packed with world-leading tech, Duracore® is a high-performance rigid-hybrid flooring product blending the best of science, technology and design. Engineered and rigorously tested internationally and right here in Aotearoa, New Zealand, Duracore® is 100% waterproof, highly durable, dent resistant, rigid & stable and noticeably quiet. It has a proven, 5 year track record, with thousands of meters laid. We pride ourselves on Duracore® being a superior product, and it is currently leading the rigid floor market into a more tech driven category.

Duracore® is a superb, all-round solution to many different applications. Our full range is suitable for living spaces, as well as wet areas such as kitchens, bathrooms and laundries. Our new Duracore® Silent range has incredible acoustic qualities, and is currently favored in new apartment buildings and homes throughout New Zealand exceeding NZBC G6 requirements by 20%
