

A FEW YEARS BACK,
WE WERE TRAVELLING & CAME ACROSS A YOUNG GIRL
SOLD FROM NEPAL INTO PROSTITUTION IN INDIA.

Little did we know that this would
change the course of our lives.

We couldn't shake the feeling we needed to do something.
Especially when we realised the scale of the problem...

UNICEF ESTIMATES THAT A CHILD IS SOLD OR
TRAFFICKED INTO SLAVERY EVERY 27 SECONDS.

Stuck on what to do, we came up with an idea.
Our family has been creating award winning wine for close
to twenty years. So, we took what we knew best and
turned it into a vehicle for change.

A WINE BRAND, WHERE 100% OF THE PROFIT
GOES TO ORGANISATIONS WORKING
TO END MODERN DAY SLAVERY.

It's not the solution, rather, it's a small
response to a big issue. A response that you
can be part of when you choose our wine.

So join our journey and use your purchasing power
to play a part in ending modern day slavery.
