EQUINOX® Personal Horoscopes

Since ancient times, people looked to the heavens to find a pattern in a strange and seemingly random world. By correlating their celestial observations with events on Earth, the accumulation of knowledge we call 'Astrology' evolved.

Discover your unique place in this grand cosmic design through an interpretation of your astrological birth chart from Equinox.

Each Equinox Personal Horoscope comes in an attractive presentation cover making it an excellent gift. The precise positions of the planets are calculated by computer and the interpretation is written by astrologer, Robert Currey.

Robert Currey has been a professional consultant astrologer and astrological writer since 1981. After graduating in psychology, he went on to pursue his passionate interest in

Astrology. He then qualified as an astrologer with a Diploma from the Faculty of Astrological Studies in London. He founded the Astrology Shop in London in 1989. Since 2001, he has been based in the Isle of Man, writing, lecturing and exhibiting around the world.

Character Portrait

Character Portrait: A full interpretation of your Astrological Birth Chart. Besides outlining personality traits, this essential horoscope reveals the whole pattern and purpose of your life. It helps you understand and overcome weaknesses and master hidden strengths. \$55

Yearly Forecast

12 Month Forecast: identifies the influence of the planets in your chart now, and clearly maps out the astrological cycles and rhythms over the coming twelve months. Not a prediction, but a guide to help you get the most of the trends that lie ahead. \$65

Astro*Carto*Graphy®

An Astro*Carto*Graphy (A*C*G) Map plots your 'energy lines' around the world based on your astrological birth chart. The pattern on each World Map is unique to the individual and each line has a different effect on you. Through Astro*Carto*Graphy, you can discover locations for love, commercial success or spiritual fulfilment and places to avoid. Useful for relocation, travel destinations, business and romantic opportunities, and more!

Astro*Carto*Graphy Map Kit

Identifies your planetary zones on a World Map and includes an explanatory handbook. The detailed A*C*G Map shows 48 planetary 'power' lines in colour plus a table of latitude crossings for closer technical analysis.

The A*C*G handbook, written by the pioneer of this award-winning astrological technique, Jim Lewis, explains the influence of the key planetary lines and crossings with additional notes on Moon's Nodes and Chiron. \$55

3 Location Analysis

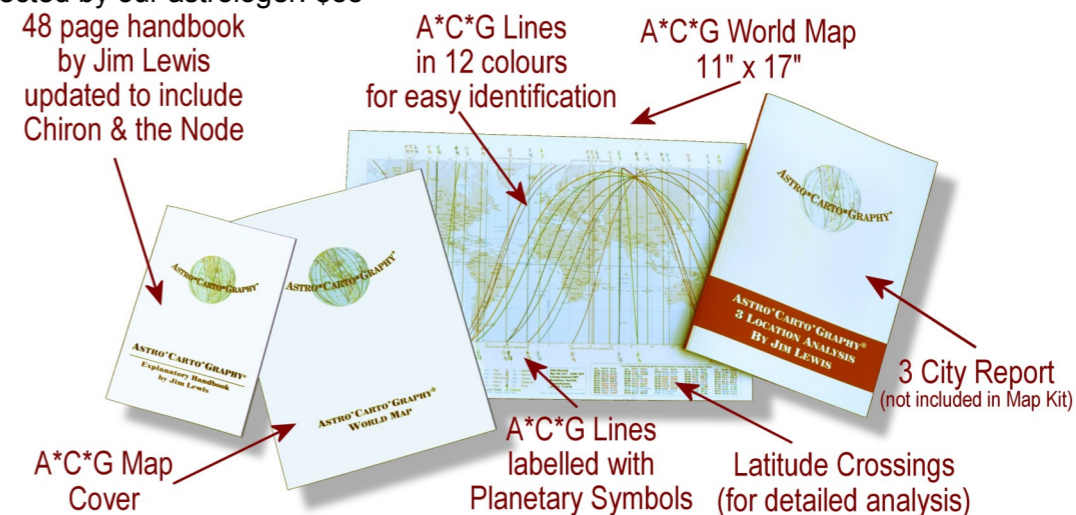

This detailed individual report outlines the practical and psychological conditions you are likely to encounter in three locations of your choice or places selected by our astrologer. \$55

Place Selection by Astrologer

Have an Astro*Carto*Grapher add his or her personal comments on a chosen location or select one or more optimal locations for your 3 Location Analysis, based on research into your Birth Chart. If you are considering relocating, invest in this supplementary service for detailed insight into your choice of location. \$12/location

Cyclo*Carto*Graphy Map Kit

A Cyclo*Carto*Graphy (C*C*G) World Map is created using an advanced technique of locational forecasting based on the temporary influences in various zones around the world at a specific time. \$58
