## PRODUCT INFORMATION

# Missy

With such a petite shape, her level of power is something you don't see coming...until you are too.

Missy's pulsing vacuum head compares compares to mind-blowing oral sex - hall-le-lujah.

O train here you come.

- EXTERNAL ONLY
- PERFECT FOR BEGINNERS
- GREAT FOR USE WITH A PARTNER

*"I didn't know that I could feel like this! You, your product and information and connecting with other professionals to share knowledge **has actually changed our lives.** We have had so much fun and it's reignited our sex lives, we now need the kids to move out! Thank you so much!"*

head.

10 vibration patterns  
10 levels of  
intensity

Internal and  
External  
stimulation.

Soft body-safe  
silicone.

Petite 10cm  
size.

Super quiet.

# Juicee

Water-slides aren't the only thing that's more fun with some slip.

Water-based lubricant that plays as well with toys as it does with bodies. Smooth, scentless and pH friendly for a very happy Queen V.

*"...Also the packaging.. wow is it easy for a quick pump (pun fully intended, sue me) **no more weird fumbling trying to get a cap of a bottle and then squeezing out some taking away from precious play time"***
