ARTIFICIAL PLANTSCAPING

Please accept this is a letter of introduction to our company 'Plant Image' which we are sure will be beneficial to you either now or in the future.

We believe that creating the best possible first impression of clients is of paramount importance and therefore supply a quality product and service which will immediately enhance the appearance of your club, showroom, home or office.

We specialize in state of the art simulated trees and plants which are built to suit any decor. We supply a large range of trees and plants all of which are of the most modern design and state of the art foliage, assuring a realistic appearance and durability.

We offer an on site obligation free design service to select the plants and planters that best suit the decor of the premises and follow this up with our installation system which ensures minimum disruption to normal operations.

Maintenance

The ongoing visual appearance of the plants is of paramount importance and we therefore offer a comprehensive after sales maintenance program which is tailored to your requirements, protects your investment and includes the following:-

- *Cleaning of all trees and plants
- *Reshaping of all trees and plants
- *Repairs to trees and plants (if required)
- *Topping up of filling
- *Touch-up of paint work on planters (if required)

A realistic pricing policy existing with Plant Image and is discussed individually with clients to fit within budget constraints whilst still achieving the desired results.

If we can be of any assistance to you in the area of artificial plantscaping, please do not hesitate in contacting us.

We look forward to hearing from you soon, as we are sure that given the opportunity we would be of great service to you.

Assuring you of our prompt and professional service at all times.

Yours sincerely,

Len Thrower
