Who Are We

Access Timber Flooring is a well-established WA owned and operated premium flooring company based in Home Base, Subiaco with over 15 years of proven high standards of workmanship and customer service. We are one of the longest serving businesses in Home Base with an established showroom in place for over 15 years. Added to this, members of our team have been with us since the business was established, therefore we all have a comprehensive understanding of the level of service clients expect.

The quality is remembered long after the price is forgotten...

What We Do

Access Timber Flooring installs all types of flooring from laminate, Hybrids, Engineered & Timber flooring however, our core business is specialising in high end straight & pattern floors in the most prestigious residential homes and businesses in Perth.

We can take care of all your timber flooring needs whether you are renovating, building a new home or simply sanding, staining & varnishing your existing timber floors.

Our reliable and hassle free services include:

- Plank On Ply timber flooring
- Direct Stick timber flooring
- Sanding and varnishing existing timber floors
- Supply and installation of engineered, hybrid and laminate flooring
- Screeding concrete floors
- Removal of existing Tiles, Lino, Carpet etc
- Matching in new and existing timber floors
- Supply and installation of Skirting Boards

Timber Range

We have selected several highly reputable suppliers through which we source your timber. We are not fixed with any particular mill or supplier, ensuring you the highest quality timber product.

We offer a range of timbers, including but not limited to:

- **Australian Timbers**
- **European Timbers**
- **American Timbers**
- **Recycled Timbers**

We have the project covered from start to finish with no responsibility put onto the client to pick their own contractors. You can feel at ease when using the Access Timber Flooring team.
