All Building & Construction Work
INTERNAL & EXTERNAL - Turn the old into NEW

Take the worry out of Building

AQWA Constructions is a family owned business. Paul Galvin will personally guide your building project from initial design concept, drafting, engineering, certification, council approvals, relaxations, and insurances... right through to completion and handover of your project. His attention to detail will ensure that the quality of your project will be first rate.

Renovations and Extensions

Love your house/street and neighbourhood? Need extra room or just want the new house feeling? Stay right where you are and let us work with you to expose your home's hidden potential. Go up or out, raise and build under, or remove some walls to create a modern open plan living area, and any other external requirements.

KITCHEN RENOVATIONS

**Out with the old...
...and in with the NEW**

Start from scratch

State of the art cabinetry and fixtures

Guidance and selections made easy

**Create your own style to suit your
finances and personal tastes**

When it comes down to building your kitchen, AQWA Constructions takes care of it all and coordinates all the tradesmen to ensure a perfect finish.
