BUILD YOUR SEASPRAY POOL TODAY

As a family owned and operated business established more than 30 years ago, our team of experts continuously strive to create an incredible range of custom designed concrete swimming pools for Melbourne's unique climate, that will stand the test of time.

At Seaspray Pools, we believe in building excellent relationships with all our customers. We always ensure to provide affordable prices and personalised service from all our friendly staff for the entire process of your project.

Our specialist team includes three registered builders, in-house designers, award-winning administration and award-winning servicing team who will work closely with you to tailor to your needs and create the look you'll love.

FUN IN THE SUN ALL SUMMER LONG

There are a few things more thrilling than adding a pool to your home. There's the prospect of fun get-togethers when the mercury rises, relaxing poolside friends and family, and beating the summer heat in style.

Done well, the right pool can add value to your property and increase the beauty of your spaces. It can keep your family fit and active and help you recharge after a long week at work. It's one of the best lifestyle decisions you can make.
