

CHATEAU BRICK

The Chateau brick is designed to satisfy the desires of discerning architects, builders and homeowners on the search for a truly unique, distinctive and timeless cladding stone.

The All New Chateau Brick. An Architectural Veneer / Cladding Stone Like No Other!

542x70x70 mm

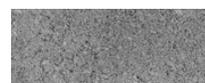

Premier White

Soap Stone

Ash

Iron Stone

The Chateau brick is a new addition to the 542mm Premier series, featuring a sleek design, lighter weight, and high strength. Its fine sandstone texture offers a unique style for contemporary designs, emphasizing the horizontal aspects of a building. It's perfect for creating striking facades.
