

About Us

Are you surrounded by fencing or walls in your own home?

Take advantage of our photography panels to create your ideal Hidden Escape. With more homes being crowded together on small blocks, we offer a fantastic solution to create an oasis in your backyard.

From backyards, to kitchens and bathrooms, Hidden Escape offer each home a character with our range of photography panels to suit your home. Our panels can be used both indoors or outdoors. Get in touch and let us transform your home with our photography panels to create your own Hidden Escape.

What We Do

Anything but Ordinary

Enhance or decorate your outdoors or interiors with our durable and lightweight photography panelling. Any surface, we will do it.

Dream. Create. Admire.

We work together to create and produce work that we are proud of for our customers. Let us create something amazing for your home.

Innovative Ideas. Inspiring Designs.

Let us create something amazing for you by transforming your boring colorbond fence or blank house walls, in to a Hidden Escape.

Let Hidden Escape make over your walls

Transform your home into something beautiful. Hidden Escape offer a fantastic solution to create an oasis in your backyard.

Clients Testimonials

“ Thanks Dave for turning a drab wall into a fantastic focal point. Highly recommended. On time Great communication Good to see real quality customer service. Thanks again Taz. ”

Taz P

“ Dave came and transformed a very dull brick wall into a work of art and we couldn't be happier. The service was second to none and the price very reasonable. Thanks Dave. ”

John N

“ Thank you so much to Hidden Escape for adding some wow factor to our alfresco area! So happy with the service and workmanship and would highly recommend. ”

Sue C

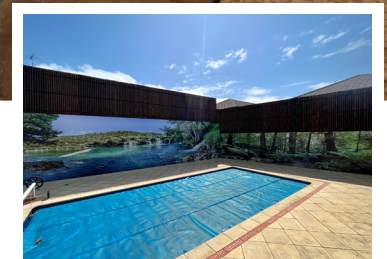

“ Thanks so much Dave. Our pool area has a beautiful holiday resort look. without the crowds. Your professionalism, friendliness and customer service is a credit to you and your business. ”
