love *Your Life* outdoors

**AUSTRALIAN
OUTDOOR LIVING**

There's no doubt about it, Australian Outdoor Living came from humble beginnings. What is now an iconic Australian brand was originally made up of a handful of staff operating from a small office in Adelaide.

Since opening its doors in 2005, a lot has changed. For starters, we are now located in almost every state and territory in the country – with plans for a presence in each, very soon. (NT is on our radar and it won't be long!) The Australian Outdoor Living team has also grown exponentially.

Beginning with a team of just 5, AOL now employs over 200 staff nationally. Speaking of growing, so too has our range of outdoor living products. The entire offering aims to help Aussie families really embrace our '**love Your Life outdoors**' mantra by improving upon their very own piece of the great outdoors and living the great Australian dream.

We understand that our customers' homes are a reflection of, and tailored to, their lifestyle. We aim to extend our clients' living spaces to create an outdoor oasis that

will transform their space and add another dimension to their life.

Our range now includes outdoor blinds, roller shutters, artificial lawn, pergolas, verandahs, carports, decking and both concrete and fibreglass swimming pools. Please note that not all products are available in every state. For a list of products available in your state, please see our website.
