# AEROTURE

**Michael Haluwana - Photographer & Videographer**

**[www.aeroture.com.au](http://www.aeroture.com.au) | P: 0422110013 | E: [michael@aeroture.com.au](mailto:michael@aeroture.com.au)**

Michael Haluwana, an internationally acclaimed and award-winning cinematographer, photographer and videographer, specialises in aerial and drone photography and video, documentaries, landscape visuals, night sky and wildlife cinematography. His exceptional work has earned recognition and awards from prestigious organisations such as National Geographic, BBC, Sony, and Canon. Michael has collaborated with esteemed professionals on iconic projects in Australia and abroad, including Sir David Attenborough for BBC's Planet Earth II, Planet Earth III, the WA Boola Bardip Museum and WA Maritime Museum where some of his work is showcased.
