Introducing Fowler Homes Auckland South, East & Pukekohe

Presenting Bret Robinson: Trade qualified with 40 years experience building in Auckland, he understands the changing face of the region and the many opportunities and challenges this brings.

Bret is passionate about guiding you through the whole design and build process, so that your home building experience is second to none. Recognising each families requirements are different, he works closely with you asking about your aspirations and requirements — tailoring a package to meet your individual needs.

That's one of the unique strengths of Fowler Homes. As the local owner and operator, you have access to Bret for the whole project. From first contact, until the day you are handed your keys. It keeps things simple and you know where you are every step of the way!

Testimony

“From the first meeting with Bret and his team, we knew that it was going to be a professional and high-quality build project. We felt a sense of comfort that we were in good hands. Like all build projects, when issues arise, you want them resolved quickly and painlessly. As a true mark of their experience, knowledge and customer focus, Bret and Ethan delivered every time. We love the quality products and finishes specified that should ensure durability and low maintenance for many years and now we have a beautiful home with stunning sunset views!” - Urie & Vanessa
