Smart home technology

The myQ App

With myQ® smart home technology, you'll always know what's going on at home, even while you're away.

Real-Time Notifications
Get real-time notifications anytime your garage door and gate opens or closes.

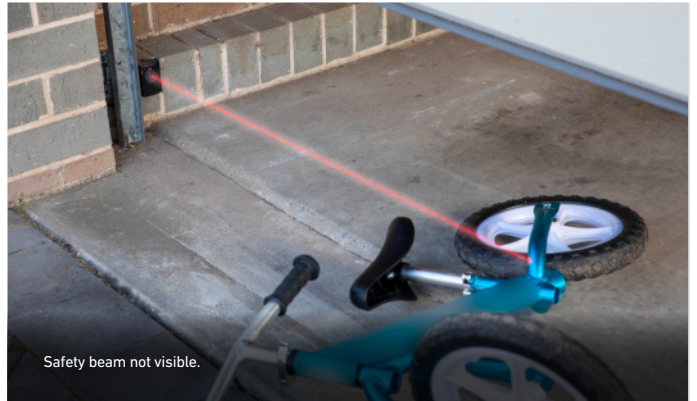

Shared Access
Securely share limited access via myQ Guest to your home with up to five users you know and trust.

24/7 Remote Access
Let a contractor, house cleaner or family member into your home any time.

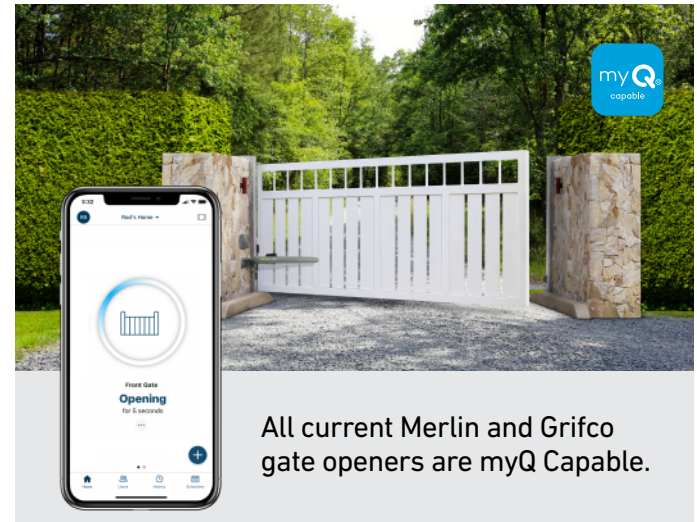

Daily Schedules
Create schedules to close your garage door, gate, or turn your myQ lights on/off at specific days and times.

Automatic Safety Reversal Function
Your garage door or gate will stop and reverse automatically if there is obstruction in the way with The Protector System™ (Safety IR Beams).

All current Merlin garage door openers are myQ Capable.*

All current Merlin and Grifco gate openers are myQ Capable.

* Merlin Commander Ultimate MJ3800MYQ includes built-in myQ Wi-Fi.

Garage Door Openers

“The myQ opener is working fantastically.
It opens and closes at a good speed.

I love the ability to receive alerts when it opens
and closes as well as being able to control the
door from the myQ App on my phone.”

TRENT, SYDNEY NSW

Garage Door Opener Accessories

MYQ CONNECTIVITY KIT
M828AU774

- Add monitoring and control away from home via the myQ App for smart devices including Apple Watch.
- Includes myQ Gateway and The Protector System™ (Safety IR Beams) to protect your loved ones and belongings.
- See pages 6–7 for further information on myQ.

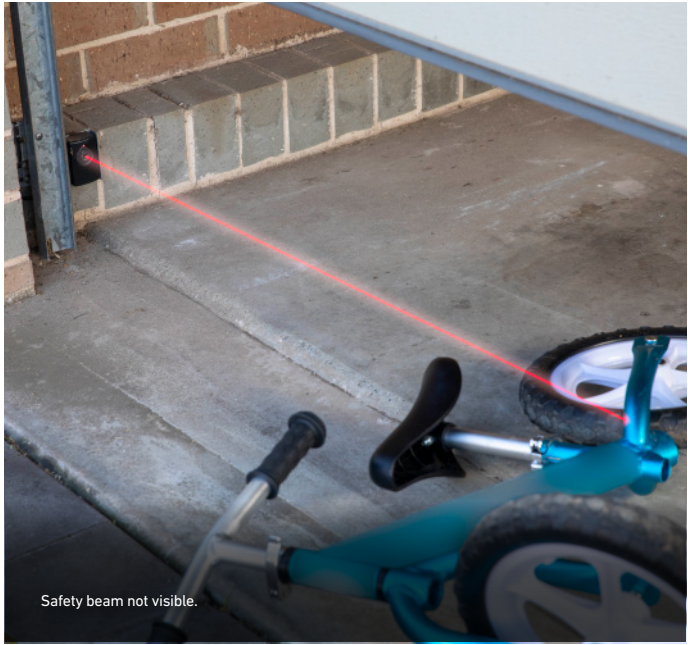

MYQ REMOTE LED LIGHT
827AU

- Ultra-bright LED light designed to illuminate your garage or workspace.
- Controlled by a garage door opener†, remote control (1x E960M included) or myQ App*.
- Easily attaches to a ceiling or wall. Supplied with 1.8m power lead.
- Multiple myQ Remote LED Lights can be added to your home.

* Additional purchase of myQ Gateway and Safety IR Beams accessories required to enable myQ functionality. Visit gomerlin.com.au or gomerlin.co.nz for further information.

† Only available on compatible models. Visit the Merlin website for details.
* Requires a myQ Gateway device and an active myQ account.

BATTERY BACKUP

M-BBU24V

- Get in and out when the power is out with Battery Backup*.
- Keep your opener operating and your garage accessible at all times.
- Battery Backup powers the garage door opener (and safety features) as if the power was still on.

THE PROTECTOR SYSTEM™

774ANZ

- The Protector System (Safety IR Beams) reliably stops closing when the beam is obstructed or broken. This safety feature can prevent injury or damage to your vehicle, person or pet.
- Compatible with most Merlin garage door openers sold in Australia and New Zealand.

* Battery Backup is compatible with Commander Extreme, Commander Elite and SilentDrive Elite models. Included with Commander Ultimate.

Remotes

WATER RESISTANT* FOUR BUTTON REMOTE CONTROL WITH CARABINER

E980M

- Rugged and durable, water resistant (IP65).*
- Audible click with each button press.
- Compatible with any Merlin garage door and gate openers made after 2009.
- Control up to 4 devices including garage door openers, gates and Merlin myQ Remote LED Light.
- Carabiner included.

WATER RESISTANT*

AUDIBLE CLICK

FOUR BUTTON REMOTE CONTROL

E970M

- Audible click with each button press.
- Compatible with any Merlin garage door and gate openers made after 2009.
- Control up to 4 devices including garage door openers, gates and Merlin myQ Remote LED Light.

DURABLE DESIGN

AUDIBLE CLICK

*IP65 Protection against low-pressure water jets from any angle.

WIRELESS SECURITY KEYPAD

E840M

- Keyless entry via 4 digit code access
- Set temporary codes for guests.
- Perfect for the family, trades people, or even just going for a walk.
- Compatible with Merlin Security+2.0 garage door openers.

FOUR BUTTON CAR VISOR REMOTE CONTROL

E964M

- Compatible with any Merlin garage door and gate openers made after 2009.
- Control up to 4 devices including garage door openers, gates and Merlin myQ Remote LED Light.
- Slimline design fits neatly onto your car visor (visor clip included).
- A green LED light flashes when a button is pressed.

FOUR BUTTON WIRELESS WALL MOUNT REMOTE CONTROL

E148M

- Works with any Merlin or Chamberlain garage door and gate openers manufactured since 2009.
- Control up to 4 devices including garage door openers, gates and Merlin myQ Remote LED Light.
- Battery powered, so no wiring required, simply attaches to garage wall for easy access.

Gate Openers

“Getting in and out of the car to open and close the gate is now a thing of the past - the convenience is life-changing!”

Gate Opener Accessories

GATE MYQ CONNECTIVITY BUNDLE

M828AU772

- Add monitoring and control away from home via the myQ App for smart devices including Apple Watch.
- Includes myQ Gateway and The Protector System™ (Safety IR Beams) to protect your loved ones and belongings.
- See pages 6–7 for further information on myQ.

Wireless Security Keypad

E850M | E850G

- Convenient and safe access to open and close your gate without using a remote control or key (IP55).
- LED backlit keys.

BATTERY BACKUP

MGBBU

- Get in and out when the power is out with Battery Backup.
- Keep your your gate opener operational at all times.
- Battery Backup powers the gate opener (and safety features) as if the power was still on.

THE PROTECTOR SYSTEM™

772ANZ

- The Protector System (Safety IR Beams) reliably stops closing when the beam is obstructed or broken. This safety feature can prevent injury or damage to your vehicle, person or pet.
- Safety IR Beams for outdoor gate applications (IP44).
- Compatible with all current Merlin and Grifco Gate Openers sold in Australia and New Zealand.
- Protector System is required for myQ functionality.

Choose safety. Choose Merlin.

Have you seen these symbols?

WARNING!

- The battery is hazardous.
- Product contains coin/button cell battery.
- Keep product and batteries away from children.
- Battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body.
- Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside any part of the body.

From June 2022, our communications for all products containing coin/button cell batteries must display a warning to comply with Australian laws.

All Merlin communications now carry these warning symbols, bringing awareness to the potential danger of coin cell batteries which can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body - seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside any part of the body.

Secure your home with myQ®.

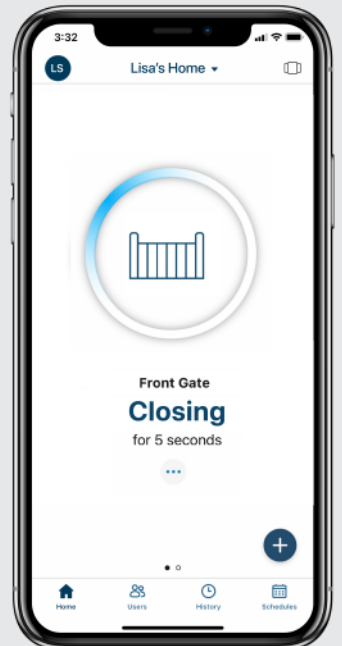

Left home with the garage door or gate open?

WE'VE GOT YOU COVERED

Open and close your garage door or gate from anywhere with the myQ App.

For a full overview of myQ features, see pages 6-7.

Additional purchase of Merlin myQ Gateway and Safety IR Beams accessories required to enable myQ functionality for all current products excluding Commander Ultimate, which includes Safety IR Beams and built-in WiFi. Visit gomerlin.com.au or gomerlin.co.nz for further information.
