## Welcome to Pet Doors Australia!

Australia's leading Pet Door supplier and manufacturer since 1992.  
Australian owned and operated.

Supplier of over 30,000 pet doors.

We have an extensive range of  
standard door sizes, and also  
manufacture made to order pet  
doors for any size glass door or  
window.

We custom make Perspex pet doors  
to replace glass panes and solve  
challenging spaces.

We have an extensive range of  
quality pet doors that install into  
weatherboard and brick walls,  
timber doors, garage and security  
doors.

Shipping Australia wide.

## Other pet door type installations:

We have an extensive range of quality pet doors that install into weatherboard or brick walls, timber doors, garage and security doors.

**Perspex:** our Perspex pet doors can be placed in wooden doors, and walls with liners - not only in glass.

**Wall Liners:** We manufacture our wall liners to suit Cat Mate, Dog Mate, Petsafe/Staywell, PDA Perspex pet doors supplied by us, all sizes.

Liners come in 2 sections that fit together to fit wall cavities of differing sizes as they are adjustable.

**Security doors:** pet flaps can be custom made to any size and installed.

Also available are wooden door & security door combos.
