

*Your Trusted Professionals*

*Beaver Tree Service has over 50 years' experience in the Arboriculture Industry, which means there is not much that our team haven't seen, and we bring plenty of experience, to ensure a top professional approach to your tree work.*

## Why you should choose Beaver Tree Service and what makes us different to other tree companies?

*Here are a few of the things that we pride ourselves on:*

### **We are locally owned and operated**

We are not a franchise, but proud to be a Kiwi family owned group of companies.

**Branches in Christchurch, Wellington, Manawatu, Whanganui and Taupo.**

### **We guarantee 100% satisfaction**

We will ring you once your job is completed to make sure you are completely satisfied with our workmanship BEFORE we send you an account.

### **Polite & Courteous Staff**

From the moment you first contact us, through to the follow up call at the end of the job, our priority is always on quality of work and exceptional customer service.

### **We are fully Health and Safety compliant and carry full Insurance**

This is to give you peace of mind whilst we are working on large difficult trees around your most valuable assets. In the highly unlikely event of a problem we have \$5 million of public liability insurance in place.

### **We are on time, very tidy and very efficient**

Our team work extra hard so your job is done efficiently in the designated time frame with minimal disruption to you. We guarantee your property will be left in tidy condition. In the rare event there is a hiccup and we are running late we will always phone and let you know what time we'll be there.

### **We are very active in the community and giving back**

Our focus to give back is strong in each of the areas that we work, to support the local community. We have started the initiative 'Help us, help them' post COVID-19, but some of the other areas we are passionate about are Ronald McDonald House in Christchurch, B1G1 and Hospice.

## Testimonials

Outstanding service, quoted on a Saturday and job done Tuesday. Great crew, excellent results and customer and safety focused. So good my neighbour got them to quote a job. Cheers team. **Donald Piper, Fielding**

Great service! Very quick and tidy job to take down a dead tree on our fence line. Highly recommended! **David, Christchurch**

Excellent customer service and follow up. The tree team were fast and efficient, too. Would recommend for tree work in Canterbury. **Helen Leggatt, Christchurch**

Fantastic job done by the 3 guys - a credit to your company. Enthusiastic & really professional in all aspects from arrival to departure. Will definitely be using Beaver Tree Services again in the future. **Keith, Wellington**

Best company by far in this industry as far as quality customer service, professionalism, standard of work and work quality goes by FARRRRRRRR!!! **Rod Bannister, Whanganui**
