Eco Friendly Buildings at an Economical Price

# EcoSheds offer a range of attractive rustic styled timber buildings designed to enhance and blend in with any outdoor setting.

## Extensive range

A number of different sized models are available to provide for many uses ranging from a small tool locker or garden shed to a large home workshop or studio.

The buildings are delivered in kitset form with assembly instructions and all the necessary fixing components needed to fully complete the building. We also have a complete construction service available.

## Eco-friendly

EcoSheds Timber Buildings are clad in tongue and groove boards using natural, eco-friendly machine grade NZ Oregon Timber. The kitset consists of pre-manufactured wall panels that screw together to form the walls of the building.

## Flexible design

The modular construction allows doors and windows to be placed in any position, on any wall of the building.

Upon completion, the exterior of the building must be treated with a good quality timber sealer to maintain its durability and appearance.

EcoShed with Verandah

Garden Shed 2.4m x 2.5m

4m x 2.5m Sleepout with Verandah and lined interior

EcoShed with split barn doors + 6 windows

Mountain Redneat 4m x 2.5m with Verandah and 3 doors

## Extensive range of sizes and customisation options available

**Small Sheds**  
1.20m x 2.50m or  
1.80m x 2.50m

Ideal for wood sheds, pool pumps or garden tools.

**Medium Sheds**  
2.40m x 2.50m or  
3.00m x 2.50m

Ideal for sports equipment, garden tools, potting shed or a children's playhouse.

**Large Sheds**  
3.60m x 2.50m or  
4.00m x 2.50m

Store motorbikes, quad bikes, ride-on mowers or equestrian gear. Or use as a studio or workshop.

## Complete construction service also available.

Minimal site preparation is required and the wide range of sizes available means that no matter what your requirements, chances are there's an EcoShed just right for you.

A timber floor, verandah, fixed and opening glass windows, double hinged doors and acrylic roof panels are all available as optional extras.
