Sustainability

Ambient Flames R-3 Sustainability Initiative is designed to reduce our impact on the natural environment, with innovative recycling programs, focused on the efficient use of available resources while reducing unnecessary waste.

We are proud to provide our customers the opportunity to:

RECYCLE your used candle and diffusers vessels to save them from being unnecessarily discarded to waste.

RESTORE your recycled vessels and prepare them for use again in a sustainable way.

REFILL your recycled and restored vessels at a fraction of the cost to purchase a new one.

Contact us to discuss your needs and request a quotation.

AMBIENT FLAMES

CATALOGUE

Our products are inspired by the beauty and serenity of the coast and are presented in high quality vessels.

Our candles are hand poured using 100% natural soy wax which is both natural and kosher.

Our wicks are lead free and made from textile grade cotton to enhance burning qualities.

Our range of products are infused with fragrances that emanate scents of exotic fruits and tropical blooms designed to "Set the Senses on Fire".
