Clean smarter, not harder

Take back more time for the things that matter most to you. Go fully cordless and all-in-one with Kobold's 2-in-1 Vacuum Mop cleaning system. It's a powerful two-motor cordless stick vacuum cleaner and high-performing microfibre mop in one sleek, easy-to-steer design that vacuums and mops at the same time. Add on extra attachments, and it cleans your couch, mattress and car too.

90+ years of German design

Kobold's sleek cordless vacuum cleaner and 2-in-1 Vacuum Mop attachment are engineered by Vorwerk, bringing the premium quality German design, durability, and high performance the world has come to know and love from the house of Thermomix®.

Smart technology

Hard floor to carpet and textile cleaning is seamless with Kobold's two-motor technology, three-suction power levels, one compact filter bag, and the option to attach the vibrating microfibre mop head, cleverly engineered to loosen, grab and hold dirt for a more thorough clean every time.

Next level cleaning

Explore our various attachments and deep clean your sofa, your mattress and curtains like never before!

Kobold Upholstery Brush

The Kobold Electric Upholstery Brush (PBB100) ensures a thorough yet gentle cleaning of delicate fabrics. Perfect for removing stubborn pet hair, crumbs, lint and dirt from upholstery and car interiors. The Electric Upholstery Brush (PBB100) with integrated hose is perfect for vacuuming upholstery surfaces, crevices, gaps or even the car interior.

1 Lightweight and manoeuvrable

With its easy parking position and light, slim body, the Kobold Cordless Vacuum (VB100) is a breeze to use and put away.

2 Breathe easy

With our innovative filter bag design, you'll only ever need to change your filter bag every 6-8 weeks, and your Kobold Cordless Vacuum (VB100) will even tell you when it's time to change it.

We've taken care of your wellbeing with one clever little filter bag that's so big on performance, it's TUV-Nord certified and Sensitive Choice accredited, capturing 99.9% of allergens.

It's easy to remove from your cordless stick vacuum without mess, too.

3 Suitable for almost any floor

Clean parquet, carpets and floors made from tile or marble. The Kobold Cordless Vacuum (VB100) can clean a wide array of surfaces.

4 Powered to last and powerful

Harnessing long-life lithium-ion and powerful two-motor technology, the Kobold Cordless Vacuum has a run-time of up to 80 minutes, depending on the power level being used.
