INTRODUCTION

HIGOLD Australia is part of the HIGOLD Group, a Global Leader in functional home hardware since 1989.

With one of the largest design teams and production facilities in the world, HIGOLD is a global leader in designing and manufacturing innovative functional hardware for the luxury residential market. Its key categories include:

- Intelligent kitchen storage hardware
- Kitchen sink and tapware solutions
- Luxury wardrobe storage hardware

HIGOLD's global business includes more than 2,000 employees, and design consultants across Germany, Italy and China, and more that 300 research and development experts, and production facilities over 200,000 square meters.

HIGOLD's products are recognised by countless international design awards and protected by over 700 product design and manufacturing technique patents.

HIGOLD distributes to more than 80 countries worldwide and is now proud to make its ranges available in Australia via HIGOLD Australia.

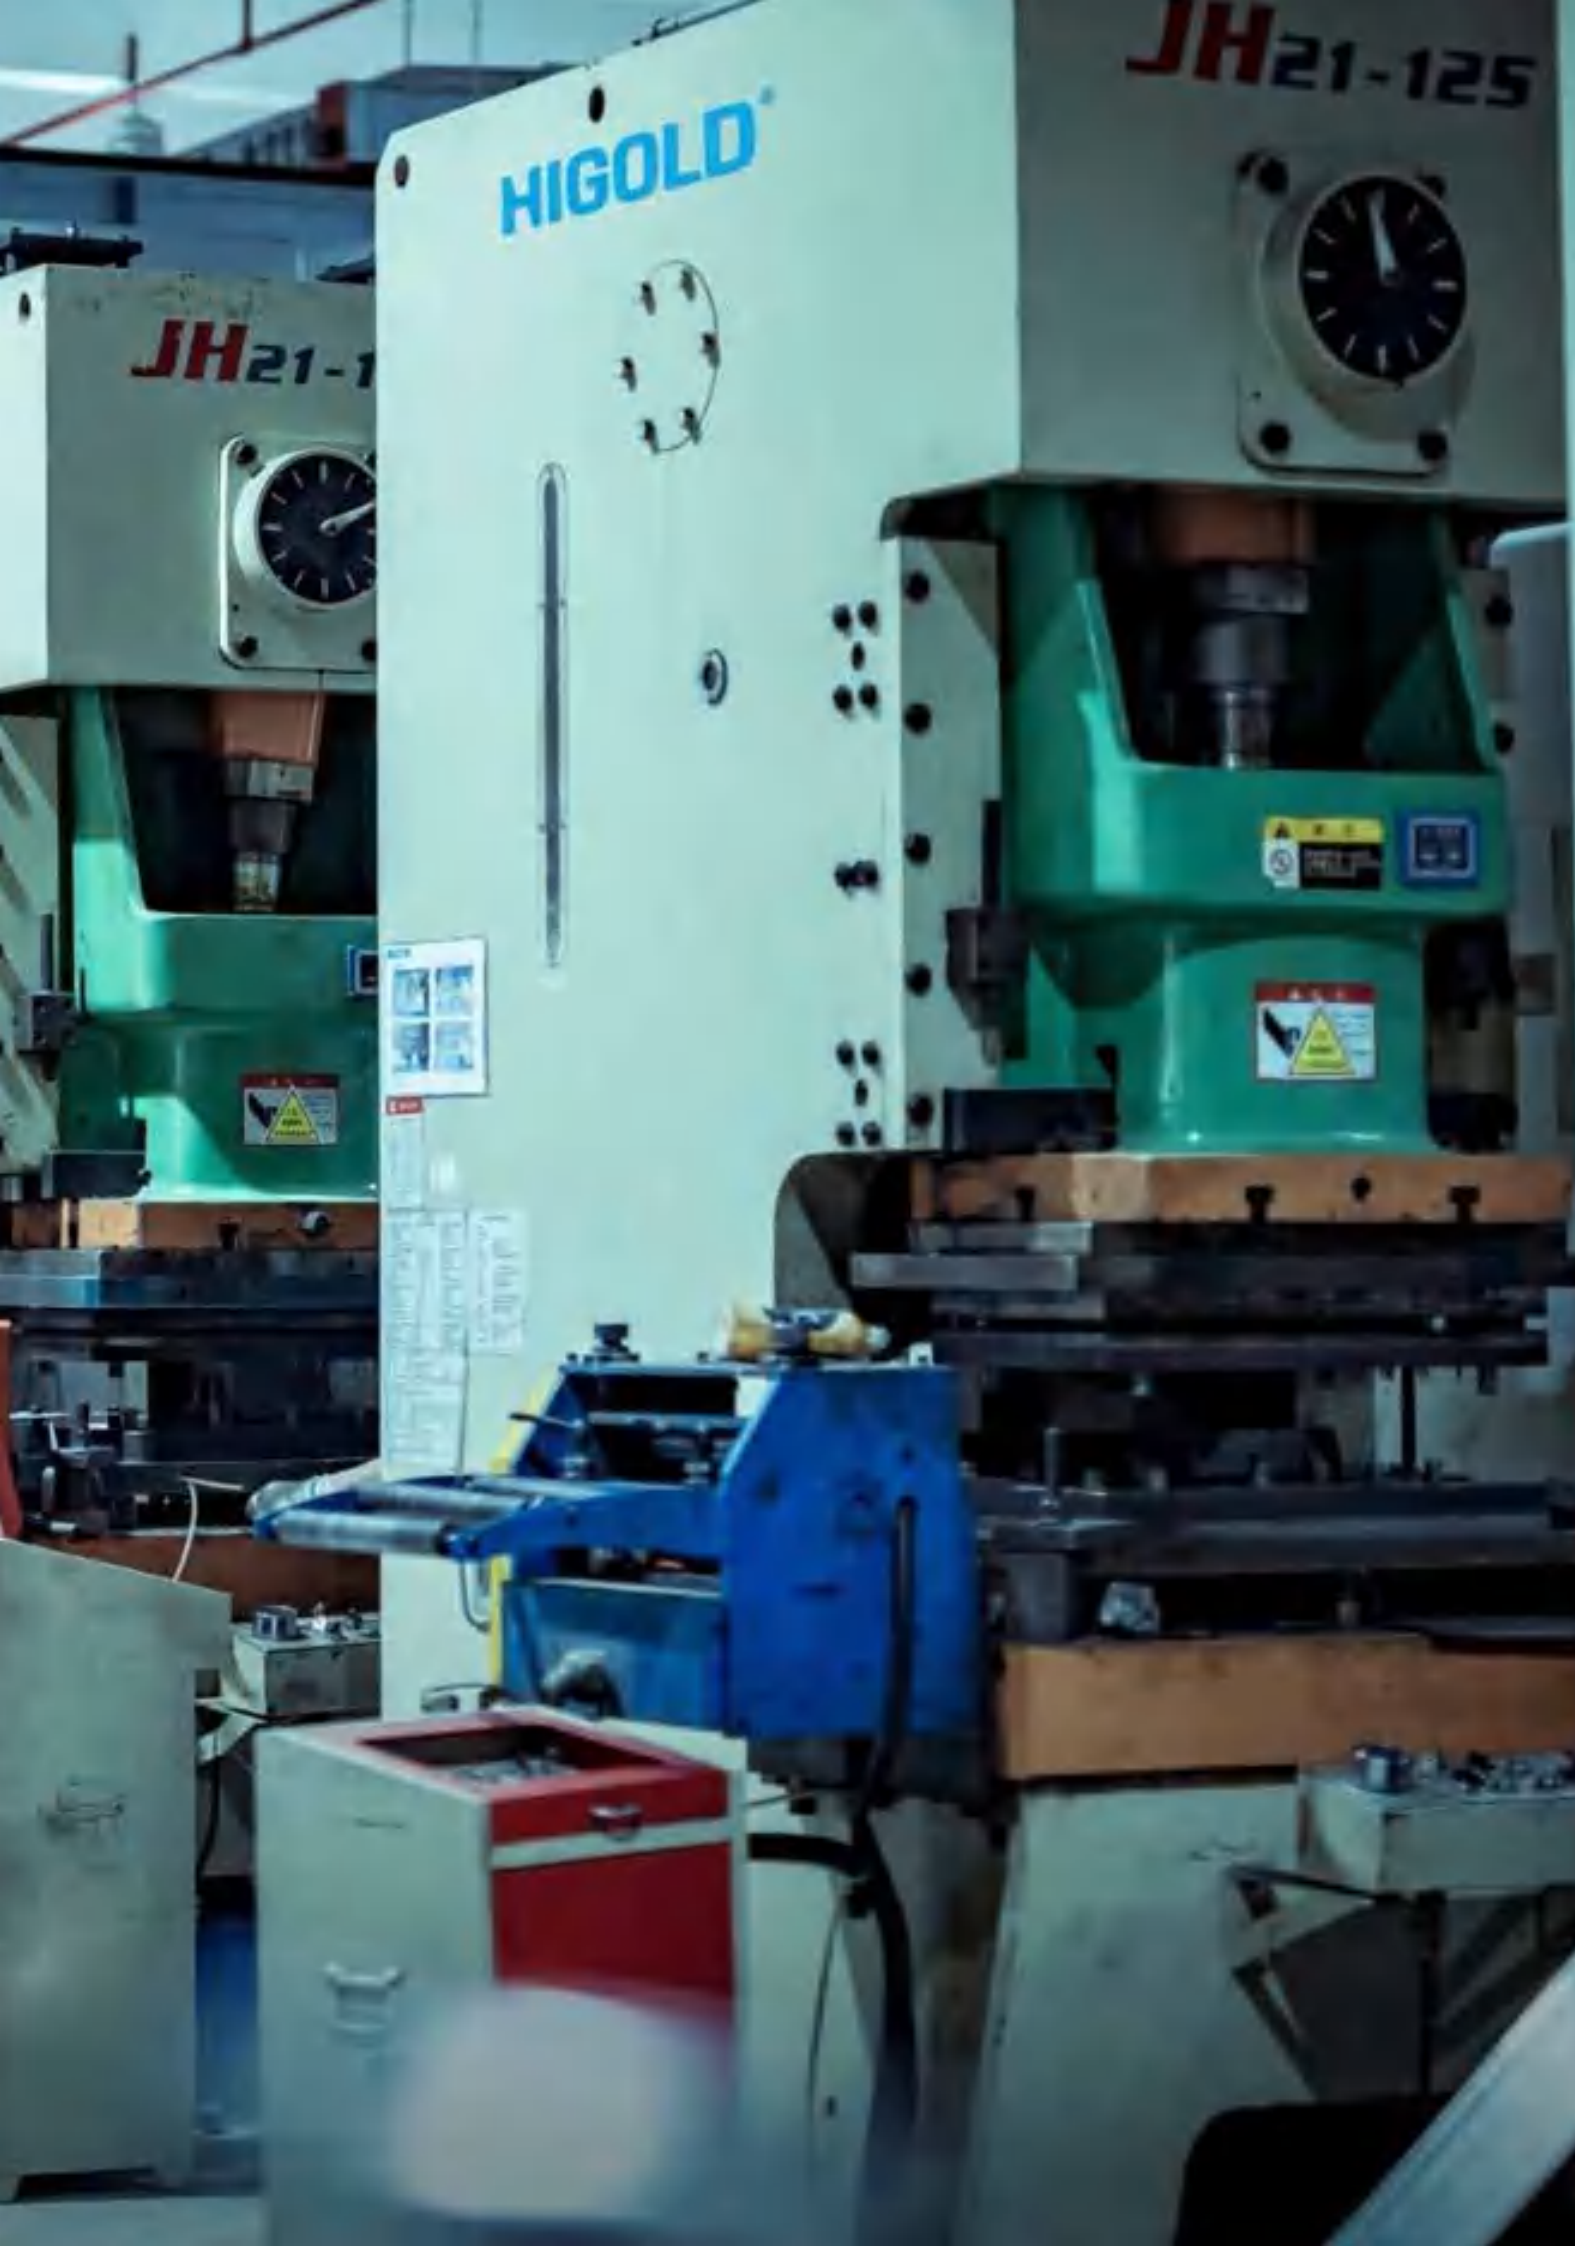

Higold Australia products are distributed by Vanguard Design Group Pty Ltd under licence from the Higold Group. Vanguard Design Group is a specialist wholesaler and distributor of luxury residential renovation fixtures and fittings.

See www.VanguardDesign.com.au for more information

Higold Australia Distributor

HIGOLD PRECISION PRODUCTION

As a leading brand in creative and innovative functional hardware and furniture, Higold's refined craftsmanship and precision production technologies and methodologies deliver the highest quality output. Each process has been strictly controlled to ensure quality is never compromised.

LEADING TECHNOLOGIES

Higold utilises the best available technologies and production machinery to design and manufacture to precision standards. Automation, laser precision, and robotic processes ensure consistent adherence to designs and specifications. From design and R&D to commercial production, Higold's standards deliver the highest quality.

QUALITY TESTING

All Higold products are quality tested to ensure the Higold standards are never compromised. During product design and R&D each product undergoes extensive durability and stress testing to ensure they deliver the functionality expected for years.

AWARDS RECEIVED

- Winner of 2014 RedDot Award**
HIGOLD Shenzou - 10 space capsule
- Winner of 2017 RedDot Award**
The Water Dispenser
- Winner of 2018 RedDot Award**
Kitchen intelligent mini oven
- Winner of 2021 RedDot Award**
Shearer 4.0 Series

KITCHEN STORAGE

Higold leads the global market in functional kitchen cabinet hardware. Higold's reputation for design, functionality, durability and innovation define all their kitchen cabinet products. Optimise storage accessibility and capacity with the full range of Higold hardware products:

- Pantry cabinet storage
- Corner cabinet storage
- Overhead cabinet storage
- Underbench cabinet storage
- Drawers
- Pull-out waste bins

CABINET STORAGE TRAY DESIGNS

Four distinct tray styles that combine functionality, beauty, and optimal space utilisation.

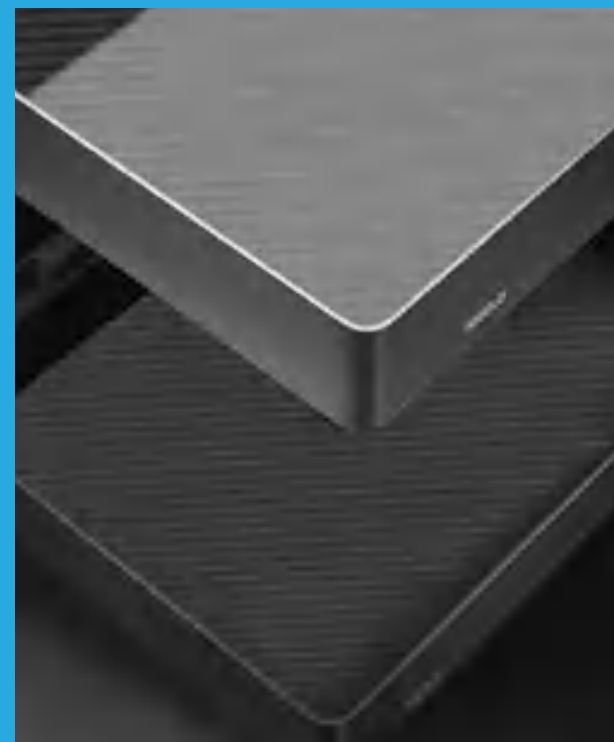

SHEARER

- Solid anthracite grey finished anti-finger print aluminium rails
- Solid MDF base
- Removable anti-slip mats

SHEARER PRO

- New Shearer matt grey finish
- Rounded corners
- Textured non-slip base

DIAMOND

- Classic matte finished steel rail
- Solid MDF base
- Removable anti-slip mats

PLATINUM

- Elegant clear glass and silver covering angle
- Solid MDF base
- Removable anti-slip mats

Delivering gentle braking and smooth self-closing.

Higold's Soft Stop Plus technology adopts a German-made motion precision that has passed motion tests exceeding 50,000 open and closes. Soft Stop Plus ensures the storage unit is pulled softly shut in the last few inches of closing - keeping peace and quiet in the kitchen.

PANTRY STORAGE

Turn your high cupboards into space-saving, smart shelf systems

- Designed for tall cabinets with standard Australian widths
- Full tray extension for complete access to the back of pantry shelves
- Adjustable frame height for optimum flexibility
- High quality runners to take high loads
- Soft Stop Plus

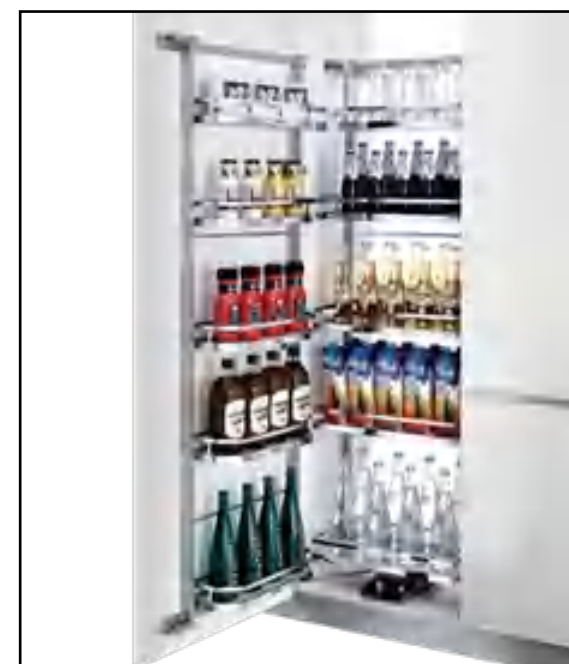

PULL OUT SYSTEM

- Adjustable height
- Width and height options
- Bottom and top mounted runners
- Cabinet door is mounted to front
- Pulls out via pulling door handle

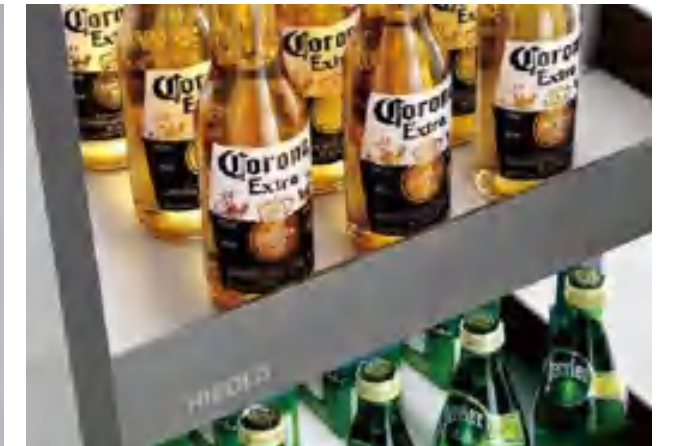

TOWER SYSTEM

- Adjustable height
- Width and height options
- Bottom and top mounted runners
- Hinged door
- Pulls out with door open

OPEN OUT SYSTEM

- Width and height options
- Bottom mounted runner and door mounted tray brackets
- Hinged door
- Frame and rear trays pull out with door open
- Door mounted trays for smaller items

Each tray rotates 360° individually

CORNER STORAGE

Utilise dark corners of your cupboard with these clever blind corner unit solutions

- Designed for hard-to-reach corner cabinets of standard 900mm widths
- Clearer view and convenient picking of stored kitchenware
- Adjustable tray levels
- High quality runners to take high loads
- Soft Stop Plus

LEMANS SWING OUT

- Hinged cabinet door
- Two large tray levels
- Trays pull out by hand individually
- Soft plus soft close on return

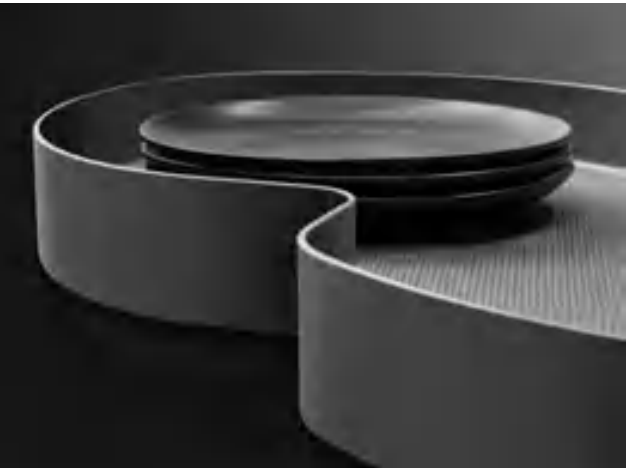

MAGIC CORNER PULL OUT

- Cabinet door mounted to unit
- Four detachable storage trays in two adjustable levels
- Pull door handle to pull out first stage of unit, and slide second stage of unit across to easily access

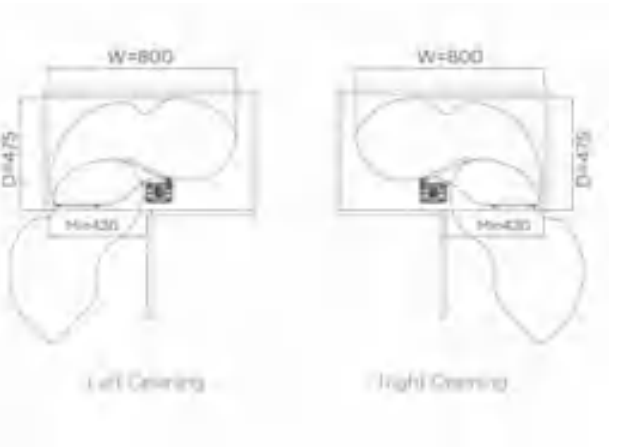

SHOW HAND MAGIC CORNER II PULL OUT

- Hinged cabinet door
- Four detachable storage trays in two adjustable levels
- Open door and pull unit handle to pull out first stage of unit and slide to side, then pull out second stage of unit for full extended access

KITCHEN SINKWARE

Higold's European designed kitchen sinkware and tapware feature innovative patented attributes unavailable from other brands. Higold sinkware offers benefits such as FDA approved food-safe surfaces, the most advanced anti-scratch sink coatings, and the highest density composite sink material. Its architectural kitchen tapware series has earned numerous design awards in the global market.

- Kitchen sinks use FDA-approved food-safe surface materials
- Superior anti-scratch sinks maintain lustre and beauty over time
- Innovative and excellent design by the Pininfarina Design Team from Italy
- Long-term rust-resistance made possible by Ultrasonic Cleaning post manufacturing, which thoroughly removes even the smallest residue

HANDMADE STAINLESS STEEL SINKS

- 304 Stainless Steel
- Market leading anti-scratch protective coating
- Nano-coating applied to micro-sand blasted surface for superior durability
- R10 Corner Radius for easy cleaning
- Anti-condensation Undercoating
- Noise Minimising Rubber Pads
- Topmount / Undermount Installation
- FDA approved foodsafe surface

WORKSTATION SINKS INCLUDES ACCESSORIES

- 304 Stainless Steel
- Includes accessories: stainless steel colander, plastic basin, and wooden cutting board
- Two level Slide Lip Design allowing multiple accessories to be mounted
- Market leading anti-scratch protective coating
- Nano-coating applied to micro-sand blasted surface for superior durability
- R10 Corner Radius for easy cleaning
- Anti-condensation Undercoating
- Noise Minimising Rubber Pads
- Topmount / Undermount Installation
- FDA-approved foodsafe surface

GRANITE COMPOSITE SINKS

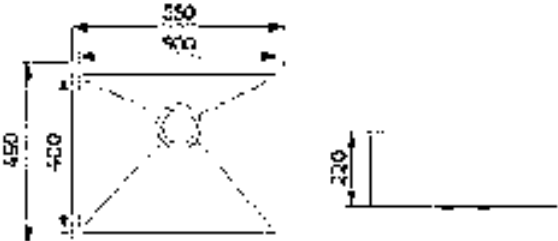

- Proprietary Granite Composite Materials for extreme density
- Extreme Durability (Steel ball impact test results exceed international standards)
- Market leading anti-scratch properties
- Anti-fade
- Rounded inner corners
- Topmount / Undermount Installation
- FDA-approved foodsafe surface
- Includes soap / detergent dispenser

HANDMADE STAINLESS STEEL SINKS

- Advanced nano coating technology provides excellent protection to the surface of the kitchen sink
- Superior anti-scratch kitchen sinks maintain their beauty over time
- Premium grade 304 stainless steel makes sinks extremely durable and rust-resistant
- The R10 corner radius allows for easier cleaning and maintenance
- Comes with an anti-condensation undercoating that helps prevent moisture buildup and avoid mold formation
- Depending on the preferred style, choose between topmount or undermount installation
- FDA-approved food-safe surfaces

NANO COATED SINGLE BOWL KITCHEN SINK - 550mm

Product ID: 951106

Capacity: 61L

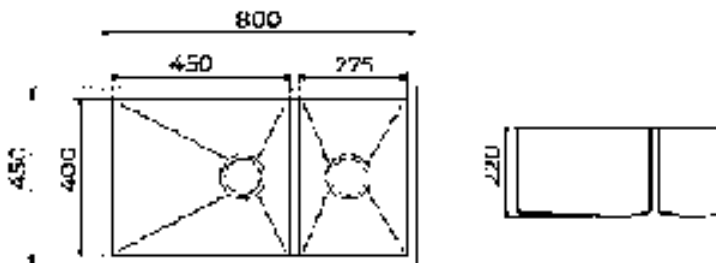

Thickness: 1.2mm

Material: 304 Stainless Steel

Inner Corner: Rounded (R10 Corner Radius)

Mounting: Undermount or Topmount

NANO COATED 1 & 1/2 BOWL KITCHEN SINK - 800mm

Product ID: 953448

Edge-to-edge Dimensions: 450mmx850mmx220mm (WxLxD)

Bigger Bowl Dimensions: 400mmx450mmx220mm (WxLxD)

Bigger Bowl Capacity: 39L

Smaller Bowl Dimensions: 400mmx275mmx220mm (WxLxD)

Smaller Bowl Capacity: 24L

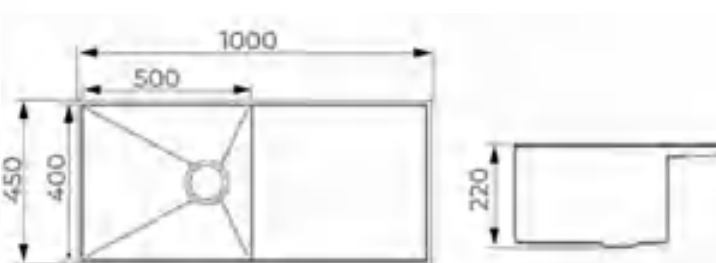

Thickness: 1.2mm

Material: 304 Stainless Steel

Inner Corner: Rounded (R10 Corner Radius)

Mounting: Undermount or Topmount

NANO COATED SINGLE BOWL KITCHEN SINK WITH DRAINER - 1000mm

Product ID: 954106

Edge-to-edge Dimensions: 450mmx1000mmx220mm (WxLxD)

Bowl Dimensions: 400mmx500mmx220mm (WxLxD)

Drainer Dimensions: 400mmx450mm

Capacity: 44L

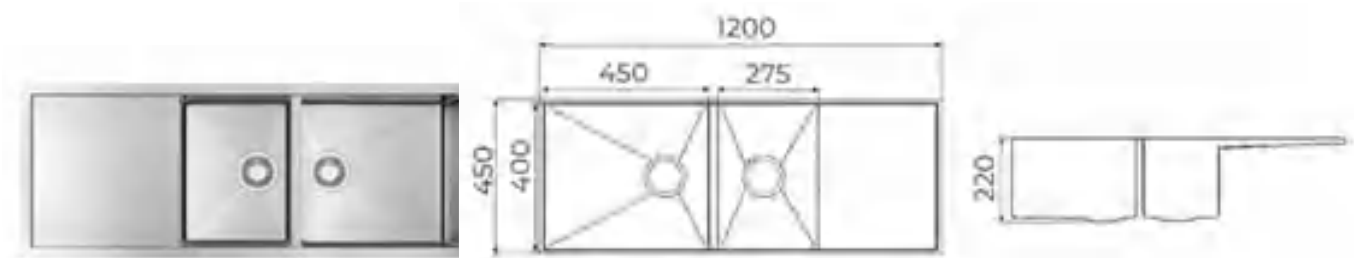

Thickness: 1.2mm

Material: 304 Stainless Steel

Inner Corner: Rounded (R10 Corner Radius)

Mounting: Undermount or Topmount

NANO COATED SINGLE BOWL KITCHEN SINK WITH DRAINER - 1200mm

Product ID:	955097
Edge-to-edge Dimensions:	450mmx1200mmx220mm (WxLxD)
Bigger Bowl Dimensions:	400mmx450mmx220mm (WxLxD)
Bigger Bowl Capacity:	39L
Smaller Bowl Dimensions:	400mmx275mmx220mm (WxLxD)
Smaller Bowl Capacity:	24L
Drainer Dimensions:	400mmx275x220
Thickness:	1.2mm
Material:	304 Stainless Steel
Inner Corner:	Rounded (R10 Corner Radius)
Mounting:	Undermount or Topmount

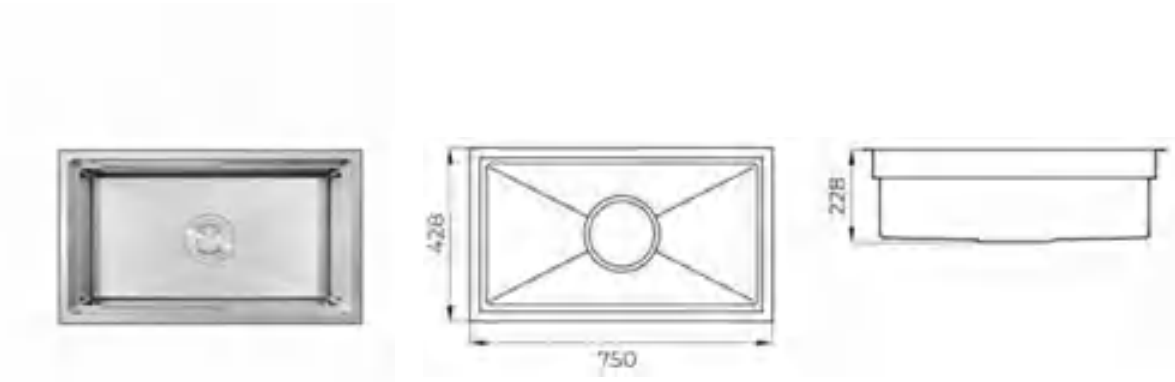

WORKSTATION SINKS

- Dual level Slide lip design provides a work area that perfectly fits the included accessories (stainless steel colander, plastic basin, and wooden cutting board)
- Enhanced nano coating technology provides excellent protection to the surface of the kitchen sink and repels liquids
- Superior anti-scratch surface coating maintain the sink's lustre and beauty over time.
- Premium grade 304 stainless steel
- The R10 corner radius allows for easier cleaning and maintenance
- Comes with an anti-condensation undercoating that helps prevent moisture buildup and avoid mold formation
- Depending on the preferred style, choose between topmount or undermount installation
- FDA-approved food-safe surfaces

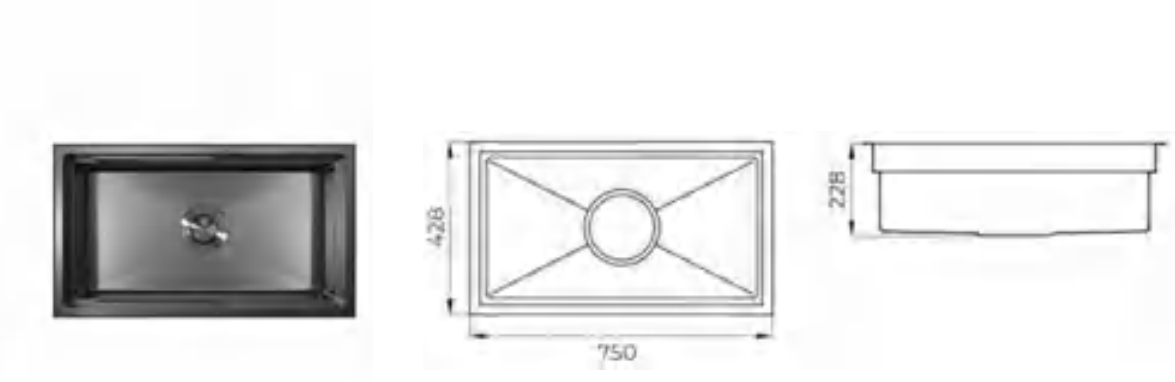

PINIZ SINGLE BOWL WORKSTATION KITCHEN SINK WITH SLIDE LIP - 750mm

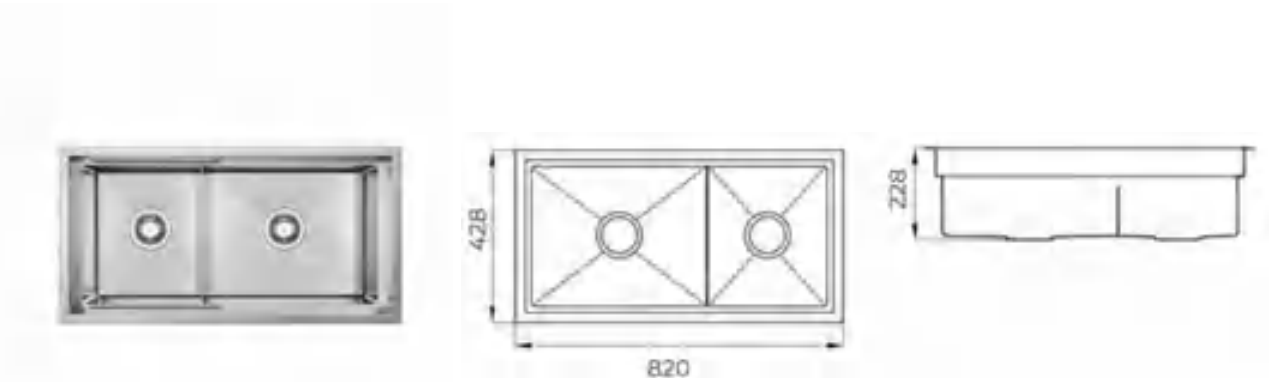

Product ID: 952307
Edge-to-edge Dimensions: 430mmx750mmx228mm (WxLxD)
Bowl Dimensions: 348mmx670mmx228mm (WxLxD)
Bowl Capacity: 53L
Thickness: 1.2mm
Material: 304 Stainless Steel
Inner Corner: Rounded (R10 Corner Radius)
Mounting: Undermount or Topmount

PINIZ SINK SINGLE BOWL WORKSTATION KITCHEN SINK WITH SLIDE LIP PVD GUNBLACK - 750mm

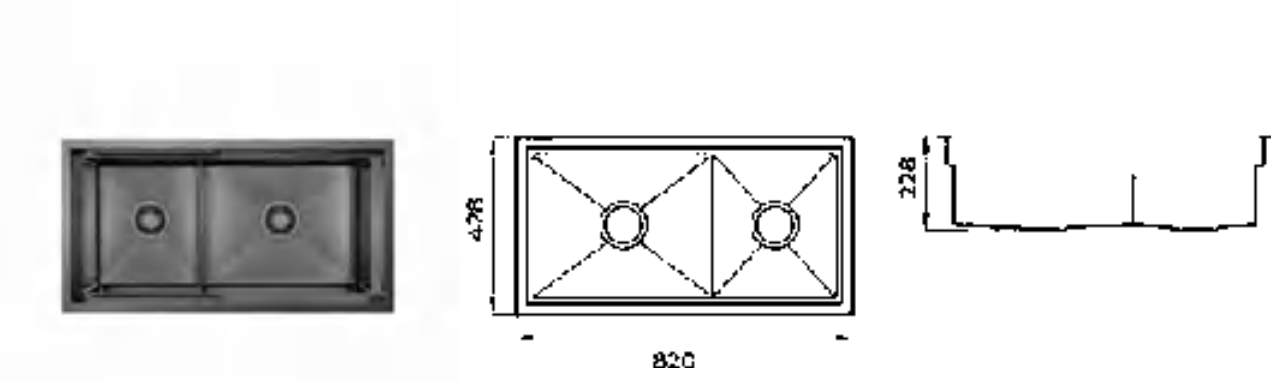

Product ID: 952307-B
Edge-to-edge Dimensions: 430mmx750mmx228mm (WxLxD)

WARDROBE STORAGE

Higold's Italian designed luxurious wardrobe storage systems lead the market globally in design and functionality. The combination of precision workmanship, highest quality vegan friendly PU leather materials, and aviation grade aluminium frames provides for the most stunning wardrobe solutions available.

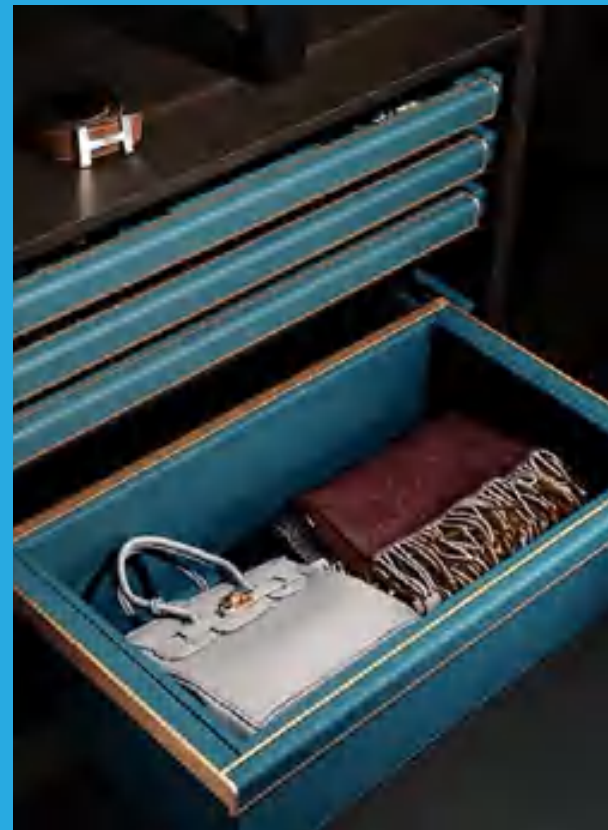

ELEGANT WARDROBE DESIGN

A SERIES

Natural PU Vegan Friendly Leather
Anodised Aluminium Frame

B SERIES

Teal PU Vegan Friendly Leather
Integrated PU Leather Frame

Vegan Leather

Gorgeous full-body leather storage made ethically and sustainably

Higold's functional wardrobe solutions are coated in vegan-friendly PU leather, or polyurethane leather, to create stylish and sustainable organisation pieces.

Faux leather closet drawers add an expensive touch yet are a less harmful choice to our planet. Higold's PU leather materials are water-resistant, easy to clean, low-impact, and designed to last.

A SERIES

Luxurious and functional. Wardrobe drawers and racks from A Series ensure you have storage for every closet item. The earthy brown shade is paired with softer grey accents to exude a sense of warmth, and a contemporary, nature-inspired look.

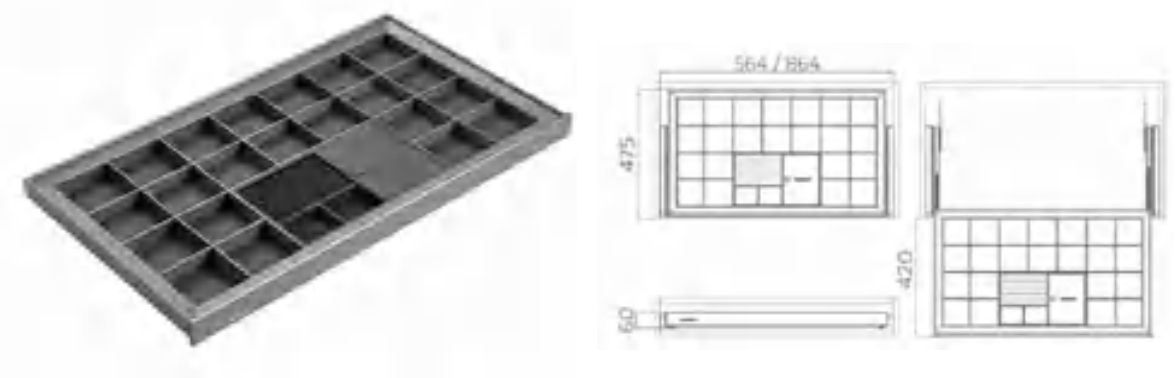

Transform your clothes storage space into the most appealing and inspiring space in your home.

- Natural brown with grey finish
- Solid MDF base
- PU leather with aluminium frame
