**Kitchen and Bathroom Design & Renovation Specialists**

- Refresh
- Remodel
- New

**We have you covered!**

## What We Do

### Kitchen and Bathroom Design and Renovation Services in Christchurch

- Kitchens
- Bathrooms
- Laundries
- Home Offices
- Wardrobes
- Built-in Furniture

## Why Us?

We know that kitchens and bathrooms are a big investment, so we take the time to get to know you and listen to what you want to help turn your dreams into reality.

We are a family owned company, with real family values. We believe in giving you the very best products and service.

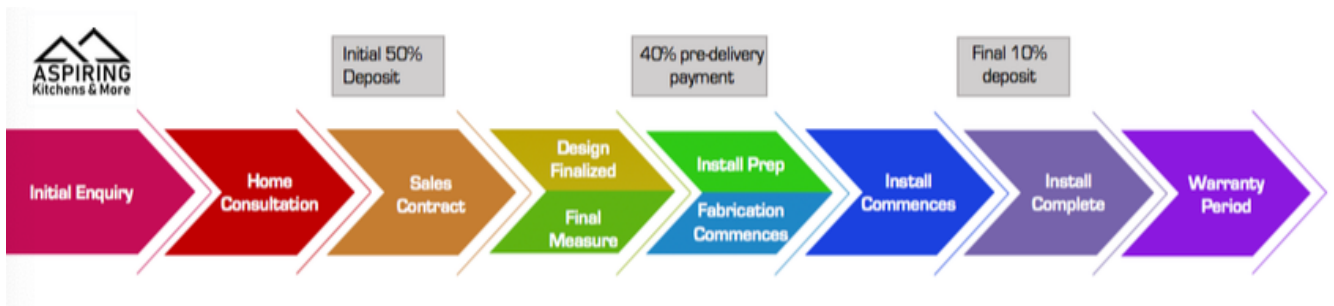

From our family to yours!

## Our Extended Team

We have a full team of qualified licensed and trusted tradesmen that enable us to undertake larger kitchen & bathroom renovations, all professionally project managed with one point of contact throughout.

- Kitchen installers
- Master plumbing & gas engineers
- Licensed electricians
- Licensed building practitioners
- Tilers
- Gib-stoppers & painters

## What To Expect & When

The kitchen is known as the heart of the home; whether you are feeding a busy family or looking to create a tranquil space for entertaining or working. If you are hoping to transform your kitchen, we can help!

Whichever design or refresh solution you choose, whether it is a completely new kitchen or a refresh of your existing cabinets, our expert installers will fit your kitchen with care, and you will receive our 10-year written warranty at the end of your installation

- Refresh
- Remodel
- New

## Kitchen Refresh

If you are happy with the layout and functionality of your kitchen and your cabinet carcasses are in good condition, we can refresh your kitchen with a brand-new look by keeping your existing cabinets and just replacing the doors, drawer faces and décor panels. These are all custom made to your exact measurements. New doors will be fitted with Blum soft close hinges as standard.

Typically, a kitchen refresh takes about 1-3 days depending on the size of the kitchen and is much less disruptive than replacing the whole kitchen. Your kitchen remains completely functional throughout.

## Kitchen Re-Model

This option includes everything from our **Kitchen Refresh** but would include alterations to the layout and / or functionality of your existing kitchen.

This would include items like

- Where you have always wanted additional kitchen cabinets, storage or to make alterations to allow for appliances

## New Kitchen

When considering a new kitchen design and installation there are a few factors to consider before you choose a company to work with.

- Our friendly & experienced designers will work closely with you, listen to your requirements and ensure you get the best solutions possible for your budget
- Our project managers will be your one point of contact and will help smooth the whole process
- Our friendly, professional installers will give you the finished new kitchen you will love for years to come

New kitchen with vinyl wrapped & thermoformed doors, drawer faces, & panels. Marcello handles. High pressure laminate gloss benchtop.

New kitchen with Acrygloss acrylic doors, drawer faces, & panels. Modern handle less opening. Engineered stone benchtop with waterfall ends.

## Laundry Design & Renovation

We can help to create your efficient and functional laundry room.

## Bathroom Design & Renovation

Bathroom design & renovation is a small but significant part of our service. We have over 15 years experience designing and installing stunning bathrooms. Let us help you turn your dreams into reality.

# Door Styles

## Laser Edged Melamine

The laser edge melamine collection encompasses the latest in laser edging technology, providing a virtually invisible edge. With no glue lines to collect dirt, chip or discolor over time.

Laser edged melamine doors provide a superior finish at an affordable price. They come in over 20 colors, and a range of finishes; plus they are moisture resistant. They are durable, hygienic & manufactured using low maintenance materials.

## Acrylics

Acrylic is a premium product that provides a high quality & extremely hard-wearing finish.

- Acrymatte features a super smooth acrylic surface providing a luscious feel and superior depth of matte adding a sense of luxury
- Acrygloss is the perfect solution for the ultimate high gloss finish. Acrygloss is scratch resistant, durable & easy to clean

All our Laser Edged Melamine and Acrylic doors are also offered with the mitered handle option for a modern handle free look. Both of these types of doors are easy to clean with flat fronted finish.

# Door Styles

## Vinyl Wrapped – Thermoformed

Thermoformed or vinyl wrapped doors are created using the latest technology to bond a thermal laminate or vinyl onto a pre-formed, moisture resistant MUF board under heat & vacuum pressure.

Thermoformed Vinyl is very hard wearing, good looking and available in a wide range of colors, satin or textured finishes; with currently 30 different formed door styles.

# Custom Benchtops

## High Pressure Laminate

HPL is a hard-wearing stain & heat resistant product available in a wide range of colors & finishes. HPL is pressed over a substrate, and is very stylish but affordable

- 7-year warranty
- Easy to clean
- Coved seamless upstand option
- Formable
- Popular profiles
  - Square Edge
  - Rolled Edge
  - ABS edge tape

## Silestone

By Cosentino is a natural quartz created to provide color & texture for bath & kitchen surfaces. Thanks to its physical & chemical properties, a result of years of investigation, it guarantees maximum hygiene & safety

Resistant to

- Acid & scratching
- Stains
- Impacts

Silestone N-Boost

- Repels any type of liquid
- Surface shinier than ever

25-year Silestone Warranty. The only brand which gives you a certified written warranty.

The hydro-repellant properties of new Silestone N-Boost prevents the absorption of everyday kitchen liquids. This technology makes for easier cleaning and stain removal even days after the spillage

# Custom Benchtops

## Acrylics

Solid surface to any size, any shape, any color and any thickness

Kymira – NZ made with 7-year warranty

Corian by du Pont with 10-year warranty

Texture: Silky warm feel and truly seamless construction.

A durable and hard-wearing surface, resistant to common household chemicals, as well as everyday wear & tear.

Acrylic is non-porous, making it incredibly stain resistant and helping keep bacteria at bay.

Acrylics can easily be repaired, meaning damage from cuts, burns, scratches or cracks from life's little mishaps don't have to spell disaster

## Dekton

A product designed by Cosentino with a 25-year warranty.

Dekton is a sophisticated mixture of more than 20 minerals extracted from nature. Its production process is the result of years of learning and inspiration to make glass, latest-generation porcelain tiles and quartz surfaces.

Thanks to the sizes of Dekton slabs and the lightness of Dekton (from 8mm thick to 30mm thick), the design possibilities for your kitchen, bathroom, façade, walls or high transit floors are growing exponentially.

Advantages:

- Highly UV resistant
- Scratch resistant
- Resistant to stains
- Maximum resistance to fire & heat
- Resistant to abrasion
- Low water absorption
- Fireproof material
- resistant to freezing & thawing

# Custom Benchtops

## Stainless Steel

New Zealand made in either T304 grade steel or T316 marine grade steel option. Substrate is either plywood, or marine ply option.

- 25-year warranty
- Durable
- Hygienic
- Seamless upstand options
- Weld approved for seamless finish

A range of textured finishes are available

- Satin brushed
- Polished
- Classic (Rotary)
- Linen (Deco9)

# Hardware

## **BLUM**

We extensively use BLUM hardware in our cabinetry. All BLUM products undergo strict quality control procedures through all stages of production. All new doors are fitted with soft close hinges & mounts as standard. All new drawer cabinets will have soft close runners as standard.

On display in our showroom is the BLUM space corner solution & the BLUM space tower. Design innovation that provides the ultimate kitchen storage solutions.

## **Handles**

We offer a wide range of handles. Handles up to the value of \$10 including GST are always included in our quotations where new doors & drawer faces are being supplied.

As an alternative for customers wanting the handle-less option, we supply BLUM push to open / push to close hardware, or mitered melamine & acrylic doors.

## **Sink ware**

We are proud to offer a whole range of sink ware for any taste. We offer:

NZ-made seamless pressed sinks 304 or 316 grade

Hand-fabricated 304 grade stainless steel sinks

Colored stainless-steel options

Duro Granite sink range

Ceramic sink

25-year warranties

## **Tapware**

Again, we offer a wide range of kitchen & bathroom tapware to perfectly suit your renovation project.
