

Ipswich's Craft Distillery

Our philosophy

Our small batch boutique products are crafted with integrity and attention to detail. We are unique and distinctive with a sense of place. We are sustainable, gentle on the land, inspirational. We are passionate purveyors of local ingredients. We are Imbibis.

Our distillery

Located in the Citiswitch precinct, our distillery has become part of the urban landscape. Our bespoke still was hand made to produce artisan spirits of quality and distinction with an emphasis on resource sustainability.
