

WATER CREMATION

A more gentle & eco-friendly
PET AFTERCARE SERVICE

Gentle & Caring

From the moment your pet arrives into our care, to the moment they are returned, they will be treated as one of our own, with the highest quality of respect and dignity.

Why choose Blue Leaf Water Cremation?

Environmental Impact is reduced by 97%

90% less energy used than flame cremation

NO emissions of harmful greenhouse gases

Remains are **100% clean**, sterile and pathogen free
and can be safely returned to the Earth

Sustainable and **Biodegradable** Urns and Memorabilia
