YAGYA

BATH SOAKS

The Bath soaks come in a spectrum of 7 colours, each having its own unique qualities to enrich your life. The salt comes with a combination of Pink Himalayan and Epsom Salt, a blend of pure essential oils and dried flowers to relax you after a long day.

Root Chakra (RED) Feel secured and grounded with the energy of Benzoin, Amber and Myrrh. Allow yourself to harness courage, resourcefulness and the will to live during trying times. RED also brings about a sense of safety and confidence.

Sacral Chakra (ORANGE) Awaken your sensual self with the energy of Ylang Ylang, Bergamot and Patchouli. Allow yourself to let go, to move, and to feel change and transformation occurring within your body.

Solar Plexus Chakra (YELLOW) Reclaim and activate your power with the energy of Sweet Fennel, CloveBud and LemonGrass.

HEART Chakra (GREEN) The energy of Rose Geranium, Eucalyptus and Clary Sage allows us to open our heart centre and have unconditional love for oneself.

Throat Chakra (BLUE) The energy of Hyssop, Bergamot and Lavender allows you to seek knowledge that is true, beyond limitations of time and space, beyond cultural and family conditioning. It is linked directly to your personal integrity and a sense of honor.

Third Eye Chakra (INDIGO) The energy of Clary Sage, Rosemary and Cedar Wood allows us to experience clear thoughts.

Crown Chakra (PURPLE) Elevate your mind, body and spirit with an amazing blend of Nerolina, Frankincense and Lavender.

ESSENTIAL OIL BLENDS

You get to choose from a band of 6 different blends. Each oil blend is carefully crafted with a combination of pure essential oils and crystals are added to the blend to enhance one's life.

The Gratitude (Nurturing) potion is made with a blend of Rose Geranium, Eucalyptus and Lavender. Amethyst and Tiger's Eye has been added to the blend to acknowledge the greatness that you are.

The Love (Sex & Relationship) potion is made with a blend of Lavender, Ylang Ylang and Rose Geranium, infused with Rose quartz, White quartz and Avetrine to create magic in your love life.

The Healing (Mind & Body) potion is made with a blend of Frankincense, Patchouli and Nerolina. Mixed Tourmaline is used in this blend to expand the results of Healing.

The Abundance (Opportunities) potion is made with a blend of Amber, Clary Sage and Myrrh, mixed with Snowflake Obsidian and Tiger's Eye to create amazing changes.

The Peace (Sleep) potion is made with a blend of Rosemary, Cedar Wood and Hyssop, mixed with the beautiful Moonstone and Avetrine to bring more relaxation into your space.

The Clarity (Harmony) potion is made with a blend of Roman Chamomile, Benzoin and Clary Sage to bring ease in your life. Lapis Lazuli and White quartz adds magic to this blend.

INCENSE STICKS

Incense is an aromatic substance that releases fragrant smoke when burned. Incense is used for aesthetic, religious, spiritual, meditation and cultural reasons. From Temples and Churches to homes, Incense Sticks are burnt all around the world. Choose from a wide range of 7 colours and add them to your basket.

Lighting an Incense Stick has a multitude of benefits that can bring calmness to our souls. If it's good enough for the Gods, it's good enough for us.

The gold incenses are mainly used to unblock wealth. Whatever the obstacles be, the gold helps clear away any debris, imprints in our surroundings which could be a hindrance to our abundance and growth .Use the gold to attract money.

The deep purple incense sticks are awesome cleansers for spaces, both home and offices. The purple helps clearing away any residual imprints and non contributing energies which might affect the inhabitants.

The pink incense offers healing and relaxation to the energies of the space and the user, clearing away imprints of discord, creating a space for healing and forgiveness. Use the pink to heal relationships and past hurts and to attract a new one.

The silver incenses clear specific unknown blocks in energy, some hidden aspects to different areas of our life. A regular burning of this opens door to expansive possibilities. Use the silver to attract opportunities and create changes.

The red helps you ground and secure yourself. Use the red for confidence, power and vitality. The red helps you keep moving, no matter what the challenge.

The blue incense sticks offer relaxation and calm the mind of the user. Use the blue to protect yourself and your family from any form of psychic attacks. Use it before going to bed, to have a deep and relaxing sleep after a long day.

The green incenses promotes healing and wellness to the body, mind and soul of the user. The green is used for growth.

Kiran Chandan, the founder of Yagya

Has been dabbling into the healing world since 2004. She is an amazing facilitator looking to create and add more in people's life. Her quest to have an abundant life for all has changed lives across the globe. She believes, we all live in an abundant world where everything is possible.

Having a constant urge to look at adding more to the tool box of healing while in India, the creation of Yagya began in 2015 just as a moment of epiphany emerging from Kiran's healing experiences around clients and their spaces. The dawn of 2019, Yagya presents a series of products which are now proudly Australian made.

All the ingredients used in our products come from the sources of nature. Mother Earth has so many gifts to heal our body in various ways. We have harnessed her gifts and added them into our products, the beautiful outcome in the form of bath salts, essential oil blends and incenses to clear and nurture both bodies and spaces, inside out. Our aim is to contribute each of our clients, the luxury of living with a purpose to reach a space of inner peace and healing within. Yagya, as the name suggests is a ritual towards an enriched life.

At Yagya, we promise to relieve your stress after a long tiresome day. The products are handcrafted with love to bring about change, abundance and growth in every area of your life. Working with incenses and oil blends help to clear, nurture the home and office spaces creating an environment of peace and calm for all as spaces too, both homes and offices have energetic and emotional residues which could hamper the relationships and productivity of the inhabitants
