Attract sporting communities

Hold one-on-one events to grow brand awareness

Brendon Goddard

Essendon Football Club

“I had my very own backyard court quoted and installed by the great team at DreamCourts in 2018.

The quality of the shock resistant tiles and basketball system has really stood up to the Australian weather and I love having a court for my kids to improve their skills and to keep active all year round.”

Got game? Start playing with DreamHoops.

DreamHoops premium rings are Australia's number 1 choice when it comes to practicing like a pro. There are accessories to suit any space and court. Gear up! With every DreamHoop purchase comes:

Step 01

Court Design & Customisation

Choose from one of our existing custom designed courts or design your own with custom branding, colours and a shape to suit your space and sport type.

**OUR PROCESS
MAKES IT EASY.
YOUR DREAMCOURT
IS READY FOR PLAY
IN NO TIME.**

Designed to create a wide variety of custom professional sporting court solutions, DreamCourts are the No.1 choice when it comes to top quality athletic flooring.

**Dream It.
Quote It.
Own It.**

Step 02

Add your Accessories

Whatever your sport - basketball, Tennis, soccer or more, we have a growing selection of accessories to suit your design.

Step 03

Court Configurations

Decide which direction best fits you. Alternatively you can choose a multi-sport playing surface and start playing any hard court sport in your backyard.

BEFORE

AFTER

Step 04

Site Inspection

The DreamCourts Team inspects your current or new court site to ensure all details are accurate for function and installation.

Step 05

Court Dispatch & Installation

Your court then leaves our factory and arrives at your destination. You can choose to install yourself, or have our team do it for you.

AFTER

Step 06

Start Playing

Your court is now ready for play! Our team offers assistance after installation should you require it. Enjoy your DreamCourt!
