AWAKEN

COLLAGEN DAY CREAM

Daily nourishing antioxidant to protect against the effects of pollution and encourage collagen renewal

All skin types

- collagen peptides
- australian botanicals
- ethically sourced
- superior formula
- made from nature
- proudly australian

Lovingly formulated with Australian Davidsons Plum, Sea Buckthorn & Gotu Cola to brighten the skin, protect against the damaging effects of pollution & encourage collagen renewal in the skin. Macadamia, Shea butter, Pomegranate & Rosehip oils nourish the skin back to glowing health. Our Kissed Earth Collagen plumps & hydrates the skin giving you a glowing, bouncy complexion.

Ritual

Take a moment for yourself in the morning to connect with your inner beauty. First cleanse and then gently massage over face, neck and décolletage using gentle upward strokes. For best results use on damp skin to lock in moisture.

Designed as a day cream for normal, combination or oily skin. Some skin may prefer this as a day and night cream. We recommend using the Awaken collagen day cream for 28 days for optimum results. Results may vary according to skin type.
