WHOAMIASTROLOGY.COM

Bond and connect with your child using the natural cycle of the moon.

The moon changes zodiac signs every 2.5 days and children are naturally attuned to that energetic shift. Their behaviour and attitude may change noticeably every few days.

Practical and easy to use cards, designed to support the relationship with your child or the children in your life.

Filled with wonderful tips and tricks to help you navigate the nurturing instinct of the Moon's cycle.
