

“

The payment plan from Brighte was a big motivator for us. It meant we didn't need a large deposit or a down payment and instead we could make regular manageable fortnightly payments.

Simon Astley

Brighte customer from Rosewater,
South Australia

Brighte 0% Interest Payment Plans

The Brighte 0% Interest Payment Plan provides the opportunity to tick off home improvements, or upgrade your energy efficiency today, and pay back over time.

This flyer is not to be used on any website or advertising material without Brighte Approval.

Why choose Brighte?

Fund purchases between \$1k to \$30k

With repayment terms between 6- 60 months

Repay between 6 months to 60 months

Your vendor will offer term's available for you to choose from*

Apply and receive an outcome in minutes!

Apply once you receive your quote and watch how fast your application is processed.

Reuse your account

Once you have an active Brighte 0% Interest Payment Plan, you may be eligible to reuse the amount already repaid or increase your limit for additional purchases**

Track your repayments

The BrightePay app allows you to track your repayments on the go!

Make additional repayments

We understand no one likes being locked into a long term repayment plan, so pay it off quicker at no additional cost.

*Not all vendors offer all terms and products. You should consult with your chosen vendor for more information.

**All reuse applications are subject to Brighte's lending criteria & fees.

How it works

Step 1:

Agree with your vendor on the products you are purchasing.

Step 2:

Apply for your payment plan - most get a decision within minutes!

Step 3:

Complete your home and energy improvements.

Step 4:

Your Brighte payment plan will be activated once your job is complete!

Brighte's 0% Interest Payment Plans finance the following home and energy improvements:

Home improvements

Solar and Batteries

Heating and cooling solutions

And much more

The Nitty Gritty

Let's talk about the Brighte fees & charges ^

- ✓ \$1.50 weekly account keeping fee included in your fortnightly repayments
- ✓ NO FEE's for early repayments or payout!
- ✓ NO FEE's for requesting quotes through the Marketplace.
- ✓ NO FEE's to download and access the BrightePay app!
- ✓ NO FEE's to change your repayment date.

You should not pay any more for your goods just because you have chosen to use Brighte's 0% Interest Payment Plan over paying with cash, a debit card, credit card or any other payment

Do I qualify for a Brighte 0% Interest Payment Plan?

Standard eligibility criteria:

1. Be a homeowner
2. Be 18 years or over
3. Be employed, self employed, self funded retiree or receiving the Aged Pension
4. Have a good credit history
5. Be a permanent Australian resident or citizen

^ A \$4.99 late payment fee may be applied if you miss a repayment (Late fees are capped at \$49.90 per calendar year). Other fees and charges may be applicable. All applications for credit are subject to Brighte's credit approval. Terms and conditions apply.
