

Energy Abundance - the Arcstream energy plan

Join our
100% Green
Virtual Power
Plant

We believe that life
should be lived in
Energy Abundance.

With your Arcstream energy plan, each month you'll know exactly how much you need to pay, with one fixed flat price.

Enjoy every chaotic moment life throws at you, secure that you have the energy to power it – sustainably and affordably.

We power real life

All the heavy lifting is done for you with an end-to-end energy plan service, paired perfectly with Qcells.

We offer a **Set and Forget** flat rate energy subscription that gives you bill certainty and low cost 100% green additional grid electricity, if and when you need it.

With Qcells battery storage, you're also eligible to join our **Virtual Power Plant** (VPP), with at least \$20 per month credit, guaranteed.

Simple. Seamless.

- + VPP enabled energy plan
- + Matches your Q.HOME CORE battery
- + Fixed, flat energy subscription pricing model
- + \$20 monthly VPP credits, guaranteed
- + No contract, no exit fees
- + 100% green
- + Local Australian support

Q.HOME CORE Battery

Next generation modular, integrated battery storage and solar inverter by quality Qcells.

- + A total energy solution with 15 years warranty
- + Scalable storage capacity - 6.86, 13.72, 20.58 kWh
- + Samsung SDI Li-ion battery cells
- + Hybrid inverter 5.0 kW
- + Emergency Blackout backup
- + Free lifetime monitoring
