

## ABOUT HOMEGAS

Homegas is a family-run business that specialise in heating, hot water, and plumbing. With a strong background in gas plumbing, we've grown to become one of Sydney's leading gas log fire dealers.

Our showroom in North Rocks showcases a diverse range of over 20 working gas log fires, 6 electric fires, and various wood fire options, allowing you to find the perfect fit for your home.

We take pride in employing our own fully trained gas plumbers who handle installation and servicing with expertise, ensuring a smooth and hassle-free experience. Additionally, our extended team of trades can manage the entire job from design to installation.

At Homegas, your peace of mind is paramount. We are fully licensed and insured, guaranteeing the quality and reliability of our work. We proudly offer some of the best brands in the market, including Rinnai, Regency, Heat & Glo, Jetmaster, Horizon, and Archer.
