Responsibly sourced, made for the future.

Zero Silica Benchtops

ArtsCutZERO

After extensive research and development we have created a new line of products of incredible durability, strength and beauty. ArtsCut Zero products maintain the same appearance, strength, and cutting performance as the traditional version. Featuring over 40 stunning designs ArtsCut ZERO is ideal for kitchen benchtops, splashbacks, and bathroom vanities.

Recycled Materials

Waste glass, stone, and other inert materials are renewed and crafted into a new and beautiful product giving a second life to materials otherwise headed to landfill.

ZERO Silica Content

With the shift away from traditional engineered stone, AC Stone has embarked on a journey to create a new standard. ArtsCut ZERO is a cutting-edge range with zero silica content.
