*Saving applied as a point-of-sale discount at time of purchase for Solahart Solar Power Systems: (a) Save \$500 on 5kW and above, (b) Save \$750 on 8kW and above. System size refers to the total kW output capacity of solar PV panels installed. These offers are available from 01/10/2023 until 31/12/2023 and are subject to stock availability. Excludes commercial installations. Participating Solahart Dealers only. Not available in conjunction with any other offer or promotion unless otherwise stated. Discounts are not transferable or redeemable for cash. © Solahart Industries Pty Ltd (2023). Solahart and the Solahart logo are registered trademarks of Solahart Industries Pty Ltd. ^Under current regulations, government incentives apply in the form of Small-Scale Technology Certificates (STCs) that can be used to reduce the upfront cost of going solar. STC values are subject to change and reduce every year until they run out in Jan 2030. †60 Months Interest-Free is available to approved applicants only and subject to completion of a satisfactory credit check upon application. Minimum purchase \$4,000. A monthly account fee of \$9.95 applies, and a one-off establishment fee may apply for new customers. Paying only the minimum monthly repayment may not repay the purchase within the interest free period. Any balance outstanding will be charged at the applicable standard variable interest rate of 25.9% per annum, as at 1 June 2023. Interest, fees and charges are subject to change. Terms & Conditions apply and are available on application. Additional charges may apply; see your contract for further details.
