

RENOVATE | REMODEL | EXTEND

WITH WESTERN AUSTRALIA'S MOST AWARDED
HOME RENOVATION BUILDER

FOR OVER 30 YEARS Addstyle has been WA's premier home renovation and extension specialist.

Addstyle undertakes a wide range of projects including kitchen and bathroom makeovers, alfresco area additions, granny flats, ground floor extensions and second storey additions.

We offer a complete service from design, through shire approvals and interiors advice, to demolition and construction.

Our design team includes qualified building designers and an in-house architect.

Addstyle maintains a low project manager to client ratio and engages only experienced, renovation-specialist building staff and trusted tradespeople of the highest calibre.

Addstyle clients can be assured of close and expert attention every step of the way.

To discuss your own project requirements with WA's most awarded home renovation team, contact Addstyle today to arrange a complimentary in-home consultation.

HOME EXTENSIONS

Ground floor extensions that open-up living areas or add extra space and accommodation, can effectively provide a 'new' home in a much loved location without the inconvenience and expense of relocation.

SECOND STOREY ADDITIONS

Whether you wish to capitalise on potential views or have simply run out of space at ground level, Addstyle can design and build a second storey addition to take your home to the next level.

HOME RENOVATIONS

Transform your home for less than the cost of moving. Modernise your home with remodelling and renovation, or give your home a facelift that will increase street appeal and market value.

COSMETIC MAKEOVERS

Update and refresh the interior of your home with a new Kitchen, Bathroom or Laundry.
