“We have been through the tiny homes they build and the attention to detail is fantastic. Not one bit of space is wasted, you have everything you need. Many different models and will certainly work with you if you have a specific need.
Great family business. Definitely recommend!”

HAVEN; “A place of refuge” for you to be; to rest, dream, reignite, and restore....

Call us today on 0418 293 757 to start your tiny home journey!
