OUR

TEAM

Antonio Bisignano

Senior Project Director & Licensed Building Manager

Building practitioners for the building commission of WA: Reg No. 14090

Antonio Bisignano is a registered builder since 2005 and has a background in architecture. He has nearly 30 years of experience in the construction industry, he has a number of industry qualifications, participated in the design and construction of hundreds of commercial real estate and residential homes and his outstanding works have won the Australian Design Award HIA livable home of the year.

To this day, he is just as passionate and committed to build aspirational houses for the clients as much as he did 30 years ago. His long-standing reputation for expertise in designing, communicating and customer services come through years of listening and being sympathetic to their needs.

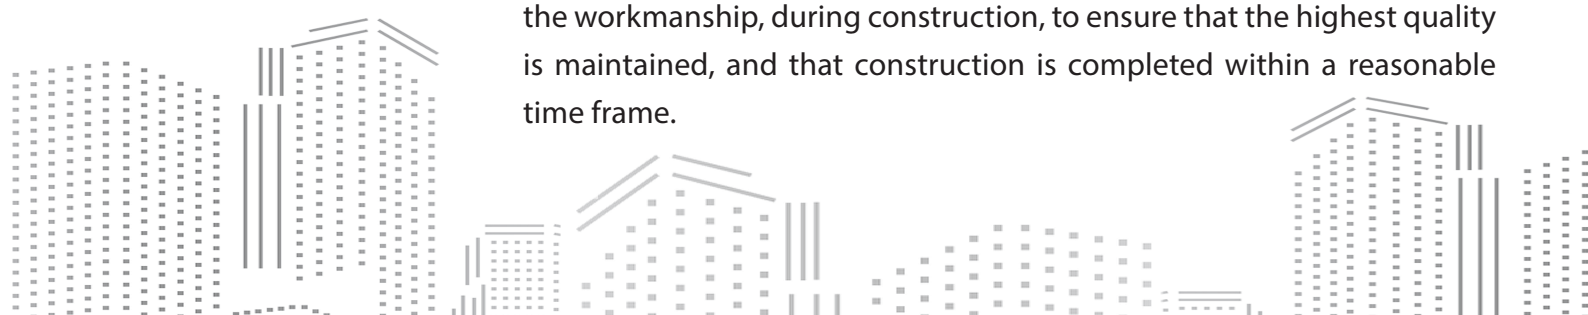

Vincenzo Franco

Construction Manager

Building practitioners for the building commission of WA: Reg No. 13012

Vince is registered practitioner for the building commission of Western Australia and registered builder. He started his career from an apprentice bricklayer and spent 9 years in the trade, then he successfully becomes the director of his own company whose background was custom luxury builds all cross Perth.

With a rich history, the experience made Vincenzo gain proficiency in all areas of construction. He has organized, administered and implemented all our new procedures to ensure that Sincerity Building Company provide a streamlined service that delivers customer satisfaction along the building journey. As our registered practitioner, Vincenzo will oversee the workmanship, during construction, to ensure that the highest quality is maintained, and that construction is completed within a reasonable time frame.

OUR

TEAM

Matthew Galati

Site Supervisor

Matthew is a registered builder, and he has been working in the Construction Industry for 7 Years, he has worked on many luxury apartments projects in Perth. Matt has also been involved with renovations/new home builds as well multi-unit developments. He is very experienced and highly trained to oversee the highest level of workmanship from tradespeople and ensure jobs are running on time and with high quality completion to every job he supervises.

Vijay Haran

Sales Manager

Vijay has worked in construction sales for the past 10 years, he has helped over 1000 people achieve their dream home. His background in banking and finance means he can always make sure the finance part of the process is smooth with no hiccups. His vast network of land and real estate agents means he will get you the best package to suit your needs.

OUR SERVICES

Boutique Homes

We offer a boutique service for first home buyers, second home buyers and down sizers. Our focus on service and quality separate's us from the other builders in this space. We are happy to show future clients our existing client homes along with our spec homes which are generally in established suburbs. We have established a one stop solution with our "Home Ownership Program" which will ensure peace of mind for any first home buyers as all the hassle is taken out of the process by our New Home

Apartments

Sincerity Building Group has many apartment projects underway, with locations in Nedlands, Bentley, Cloverdale and other metro areas across Perth. If you have a development site you are looking at purchasing we offer a feasibility service to all serious investors. Ask one of our Reps to find out more.

OUR SERVICES

Double Storey Customized Projects

We pride ourselves on designing statement two-storey homes that you won't be able to drive past without pausing to take that second look.

Our extensive range of two-storey homes are thoughtfully designed to grow with you, and your family because we understand that a two-storey home needs to be both functional and aesthetically pleasing, each plan in our range is intelligently designed to meet the ever-evolving needs of new home buyers. .

Luxury Customized Projects

Combining our team's extensive experience in all aspects of construction and project management, Sincerity Building Group is able to achieve premium results consistently exceeding our client's expectations.

We are proud to be a boutique builder as we never build the same home twice for clients, every owner-occupied home is unique in itself. Marrying our extensive knowledge of the local area with our building knowledge, we assist our clients to achieve their desired outcome for their new home.

OUR

SERVICES

NDIS

The National Disability Insurance Scheme is an insurance support scheme of the Australian Government that funds costs associated with disability. Sincerity Group even achieved Award Design — HIA 2003. The investor will be able to gain stable rental income. Our motivated team of staff, suppliers and trades are ready to support you in all aspects of building.

Unit Developments

Property development presents massive opportunity when it is done correctly. We have extensive experience with house behind house, duplex, triplex and multi-unit development sites. The recent zoning changes throughout WA have created new opportunities to develop previously unappealing sites. We will assist you from the feasibility, survey and titles, planning stage and to every last detail of the building process.
