

Natural Skincare Workshops

We're all about inspiring, encouraging, teaching and creating.

Join us on a journey full of delightful scents, nourishing ingredients, and a whole lot of skin loving.

**ESSENTIAL OIL BLENDING | NATURAL BODY & SKINCARE
ANTI-AGEING SKINCARE PRODUCTS | SUSTAINABLE SKINCARE PRODUCTS**

With over 20 years' experience in the natural health and cosmetics industries between us, we're just two big nerds who love to make things!

We are passionate about natural skincare and have an extensive knowledge of essential oils, carrier oils and raw materials required for cosmetic manufacturing. Plus we also understand how these ingredients work for different skin types.

Head to the website to secure your spot in a class or to arrange a private event !
