Fully Tiling - Choose your water colour

The colour your water reflects will be determined by the tile you choose. Once the pool is tiled and filled with water, the tile you choose will generally appear more blue and lighter in full sun.

## CHOOSE YOUR WATER COLOUR

Bright Ice Blues to Dark Steel Blue-Greys, Light Aqua to Deep Forest Greens; the colour spectrum and choices are abundant.

## CHOOSE YOUR MOSAIC

## UNIFORMITY OR VARIATION

Choose between a constant block colour or a pool interior with variation achieved by choosing a blended mosaic or mosaic with variation in colour, reflective and/or textural elements.

## CHOOSE YOUR WATERLINE EFFECT

A Waterline Tile not only has practical benefits for cleaning and protecting the waterline area but can be utilised to achieve different visual results.
