SINGAPORE
Modernising The Art of Floor Sleeping
EST SINCE 1999

ABOUT OUR **COMPANY**

The Tatami Shop was founded on a timeless mission to be evergreen. We create Tatami solutions that are **multifunctional, practical and authentic.**

We aim to be solution providers that represent contemporary Japanese culture.

Tatami and floor sleeping has a plethora of benefits. We want to share our knowledge and modernise this tradition -- from us, to you.

"Here at The Tatami Shop, We provide unique hand-crafted sleeping solutions with an emphasis on nature and quality. "

WHAT IS TATAMI?

Tatami has a history of 2000 years in Japanese Culture & Lifestyle.

Some benefits includes the signature grassy fragrance from the **Igusa Rush** that keeps spaces fresh & is incredibly therapeutic. Tatami has a smooth texture and natural cooling effect which is gentle to the skin.

About Igusa

2'000 years of history

Grown in Kyushu, Kumamoto

Therapeutic grassy fragrance

Natural cooling benefits

Selection

Sunning

Weaving

Planting

Drying

BENEFITS OF TATAMI ITEMS

- Firmness keeps your back aligned during sleep, preventing long-term aches
- Natural Igusa promotes a therapeutic grassy fragrance for comfortable sleep
- Groundedness and elevated connection
- Long-lasting w/ proper maintenance

OUR **TATAMI**

SOFA BEDS

Our 9-in-1 Sofa Bed offers a multifunctional solution for lounging during the day & overnight sleeping. It provides a slight cushioning for the shoulder & hip bone while still providing you with the firm support you require.

The 9-in-1 Sofa Bed comes in a black carrier bag and can be packed away efficiently when not in use.

4-FOLD MATTRESS

This space-saving & lightweight solution can be folded up and kept aside to make space when not in use. The firmness promotes long term posture support and may prevent backaches in the long term.

Our Tatami Mattresses come in both the 3cm and 5cm thicknesses. Choose between a simple, lightweight carry-on or a cushier, thicker alternative for a worry-free rest.

MAKURA PILLOW LINE

Our Makura Pillow line provides the firm support necessary for a restful sleep. Filled with a mix of crushed IGUSA and coconut fibre, the pillows conform to the contours of your neck & shoulder over time.

Signature Pillows

The signature pillow has a curved design that offers a snug fit and relief for stiff necks & shoulders, alleviating both body aches and snoring from poor posture.

Classic Pillows

Inspired by traditional ceramic and wooden block pillows, the Classic is ideal for side naps and back sleepers. The design supports the curvature of your neck and enhances breathing. Those who love higher pillows will appreciate the elevation that the Classic provides.

LOUNGING & MEDITATION

Japanese Sakura Meditation Cushions

Inspired by Japanese Sakura flowers, the Sakura Cushion is a must-have for beginner and intermediate meditators. Sitting on the Sakura Meditation Cushion, naturally straightens your back and releases tension in your thigh.

Tatami Carpet

Premium Japanese Igusa Tatami mats evoke a sense of warmth & add a natural botanical element to your home. Add a touch of elegance to your home with our premier range of fabric brocade selections for a relaxed weekend family get-together.

TATAMI COOL SEAT MAT

Tatami Cool Seat Mats

The cool seat mat dissipates heat & allows you to jump right into your car even after parking under the hot sun, making your drives cool and comfortable.

They can also be used for your office chairs, on sofas or as a travel-friendly stroller liner to keep infants comfortable & happy. The natural grassy fragrance helps to further relax and calm your mind when you're out and about.

HOW DO I CLEAN MY TATAMI?

Weekly Cleaning Guide

1. Vacuum along weave
2. Wipe with damp cloth
3. Spray Tatami Mist

Shake prior to spraying. Do not wipe solution away.

4. Air dry with a standing/ceiling fan for 30 mins.

9 WAYS TO *Relax, Refresh & Recharge yourself*

Lean back with comfort

Savour a quick power nap

To let go & sleep is the best cure for anything

Breathe in & make time for yourself

Enjoy clarity & focus with everything in place

A soothing angle for relief & comfort

Slow down & be a better version of yourself

A higher back rest to support your daily activities

Pack up & put it aside

Dealing With Spillages

Apart from red wine & dyes, most spillages are pretty easy to handle if dealt with quickly.

1. Soak up excess liquid with a dry cloth.
2. Wipe affected area with a damp cloth. If spillage leaves a sticky residue, use a damp cloth with a gentle detergent to wipe off the residue. Wipe soap off with a damp cloth.

HOME DESIGN

With 22 years of experience with Tatami Home Concepts, we can make your dream relaxation space come true!

Our Tatami can be customized to fit most spaces. Our knowledgeable, patient, and adaptable Tatami Team will ensure your needs are met!
