FABULOUS**

Lil J's nourishing and natural oil treatments are everything that you need for epic hair!

THICK & JUICY

Dry and damaged thick hair

Deeply moisturising blend of pure jojoba and coconut oil can tame even the most flyaway, frizzy or diva-like behaviour.

FINE & FABULOUS

Dry and damaged fine hair

Magical blend of grapeseed and argan oil can spin even the most damaged and straw-like strands into silky, shimmering tresses.

BOUNCE BACK

Dull and limp hair

Ultra-nourishing blend of pure coconut and olive oil will help burnt out, stressed strands bounce back into locks so shiny and bright, your admirers will need to wear shades.

FLAKE OFF

Dandruff and itchy scalp

Holy trinity of pure coconut, lemongrass and cedarwood oils pack enough punch to make any hint of dryness or dandruff just Flake the hell Off!
