Feline Botanical Mists for the cats of Australia

## PRODUCT INFORMATION

**KITTY KITCHEN**  
where feline wellness & fashion meet

# Feline wellness naturally

Kitty Kitchen represents feline wellness naturally. We handcraft and blend a range of feline botanical mists with plant hydrosols and Australian Bush Flower essences to help your cat thrive in an urban environment.

Our feline botanical mists are specifically blended for the feline physiology and offer a safe form of aromatherapy. Kitty Kitchen is delighted to bring Aussie wellness to the cats of America.

# Blends to calm, soothe, purify & uplift

Our blends support cats who experience anxiety, stress, depression, are recovering from illness or loss, are in their twilight years and those who might benefit from a mood boost or uplift. We also offer our Rescue to Rehome range for specific use with cat rescue and rehoming.

our feline botanicals offer  
peace of mind.  
hope. wellness.

We use natural, vegan and animal friendly ingredients. Our products support cat owners to have peace of mind in using a natural and safe product formulated specifically for their feline fur baby.

Each feline botanical mist comes with a small crystal pendant whose properties have been matched to work in harmony with the blend. You will also receive an affirmation card to provide a guided intention when using the blend.

# The blends

## CALM

This blend assists cats who experience anxiety, stress, are timid or shy or who suffer from separation anxiety.

Also ideal to use prior to surgery or veterinary treatment, visit to the groomers or cattery.

Ingredients: spring water, Citrus aurantium var.amara (Neroli), Lavandula angustifolia (Lavender), Anthemis nobilis (Roman Chamomile), Rosa damascena (Rose) hydrosols, vodka, blended with Grevilla buxifolia (Grey Spider Flower), Bauera sessiliflora (Dog Rose of the Wild Forces), Telopea speciosissima (Waratah), Lobelia gibbosa (Angelsword) and Crowea saligna (Crowea) Australian Bush Flower essences.

## PURIFY FLEA

This blend is designed to complement your cat's parasite prevention regime. Formulated with flea repelling botanicals and blended with Australian Bush Flower essences like the amazing Green essence which works at a vibrational energy level. Safe and ideal to use with flea treatments and with diatomaceous earth. Include with brushing and massage for a lovely feline treat. This is a complementary product and should not be used solely as a means of parasite prevention.

Ingredients: spring water, Lavandula angustifolia (Lavender), Rosmarinus officinalis (Rosemary), Lippia citriadora (Lemon Verbena) hydrosols, vodka, blended with Green essence, Lambertia formosa (Mountain Devil), Patersonia longifolia (Bush Iris), Hakea teretifolia (Dagger Hakea) Australian Bush Flower essences.

## PURIFY TICK

Formulated with tick repelling botanicals and blended with Australian Bush Flower essences to harmonise healthy vibrational energy and emotional stability often interrupted by illness or weakened immune systems. Safe and ideal to use with tick treatments and with diatomaceous earth. Use of the mist in grooming routines such as checking for ticks will offer a calming and relaxing experience for your feline. This is a complementary product and should not be used solely as a means of parasite prevention.

Ingredients: spring water, Lavandula angustifolia (Lavender), Pelargonium graveolens (Geranium) hydrosols, vodka, blended with Green essence, Triodia species (Spinifex), Actinotus forsythii (Pink Flannel Flower), Planchonia careya (Billy Goat Plum) Australian Bush Flower essences.

## RESCUE

This artisan blend assists cats who experience fear and panic and may feel out of balance with their new environment. It assists to open the heart and build trust. This is the best feline botanical mist to use when first rescuing a cat and can safely be used with Rescue Remedy and similar flower essence blends.

Ingredients: spring water, hydrosols of Rosa damascena (Rose), Citrus aurantium var. amara (Neroli) and Lavandula angustifolia (Lavender) blended with Australian Bush Flower essences of Grevillea buxifolia (Grey Spider Flower), Barringtonia acutangula (Freshwater Mangrove) and Wahlenbergia (Bluebell) and vodka.

## REVIVE

This artisan blend assists cats as they transition to a new or indoor environment and begin to connect with human touch. This is ideal to use in shelter environments and foster homes to assist body rhythms to adjust and to promote softness to touch.

Ingredients: spring water, hydrosols of Rosa damascena (Rose), Citrus aurantium var. amara (Neroli) and Lavandula angustifolia (Lavender) blended with Australian Bush Flower essences of Patersonia longifolia (Bush Iris), Actinotus helianthi (Flannel Flower), Boronia ledifolia (Boronia), Actinotus forsythii (Pink Mulla Mulla) and vodka.

## REHOME

This artisan blend assist cats as they move from the shelter or foster home to their forever home. It assists to open up to a brighter future, to mend the heart and build unconditional love. Rehome Mist is most effective as a cat or kitten transitions into their forever home.

Ingredients: spring water, hydrosols of Rosa damascena (Rose), Citrus aurantium var. amara (Neroli) and Lavandula angustifolia (Lavender) blended with Australian Bush Flower essences of Telopea speciosissima (Waratah), Boronia serrulata (Sydney Rose), Acacia terminalis (Sunshine Wattle) and vodka.

**KITTY KITCHEN** is a heart centered, purpose driven business with a mission to promote feline wellness naturally, to educate on responsible cat ownership and importantly to fund rescue organizations to neuter homeless, abandoned and rescued cats and kittens.

The Ritual Candles

# The Ritual blends

## SOOTHE

A hand poured soy wax candle infused with Aquamarine and Oakmoss fragrance oil and Aquamarine chips and small tumble stones. Aquamarine has a calm and gentle energy reminiscent of the soothing and cleansing powers of the ocean. It is ideal to use to promote rejuvenation in feline 'beauty rituals' supporting a calm, cool and cleansed coat and skin. Oakmoss similarly has soothing properties which support supple and smooth skin. Each candle comes with an affirmation card and is ideal when used with our Feline Botanical mists. The affirmation for Soothe is 'My feline body is healthy, my coat and skin is radiant, beautiful and strong. I am healthy in mind, body and spirit'.

## PURIFY FLEA

A hand poured soy wax candle infused with Lemon Verbena fragrance oil and Clear Quartz chips and small tumble stones. Clear Quartz has a higher vibration of positivity and is understood as a master healer as a result. Generally considered to emit a loving and healing vibration this supports emotional, physical and spiritual wellness ideal to combat parasites. Lemon Verbena is a stress-reliever with strong anti-inflammatory properties and a highly relaxing fragrance. Known for flea repelling this is ideal to include in purification and cleansing rituals. Each candle comes with an affirmation card and is ideal when used with our Feline Botanical mists. The affirmation for Purify Flea is 'I embrace purification and rejuvenation with open paws'.

## PURIFY TICK

A hand poured soy wax candle infused with Rose Geranium fragrance oil and Smokey Quartz chips and small tumble stones.

Smokey Quartz is a protection stone and a strong detoxifier removing toxic energy from its surroundings. It also carries a healing and grounding vibration assisting with creating a sense of balance and stability.

Rose is an emotionally uplifting fragrance well suited to soothe inflamed skin and wounds. Geranium is well regarded for its tick repelling properties as part of a preventive regime..

# The Ritual blends

## CALM

A hand poured soy wax candle infused with Victorian Rose fragrance oil and Blue Topaz. Rose is the queen of fragrance especially when it comes to calming and relieving stress. Working on the central nervous system it is ideal for fearful, timid and anxious cats.

Blue Topaz is ideal for use when strengthening intentions and bringing an uplifting and joyful energy. It assists to bring the mind, body and spirit into balance. Each candle comes with an affirmation card and is ideal when used with our Feline Botanical mists. The affirmation for Calm is 'Calmness washes over me with every purr I take'.

## AWAKEN

A hand poured soy wax candle infused with Honeysuckle Jasmine fragrance oil and Rose Quartz chips and small tumble stones. Rose Quartz is the stone of love with a gentle energy. Ideal to promote self-love, inner healing and a deep sense of peace.

It is ideal to use in times of loss, grief or sadness as it encourages acceptance and love. Honeysuckle Jasmine has an uplifting and joyful aroma. It is floral, light and evokes a gentle harmony. Each candle comes with an affirmation card and is ideal when used with our Feline Botanical mists. The affirmation for Awaken is 'I am a Spiritual being filled with and surrounded by love'.

## EVOKE

A hand poured soy wax candle infused with French Lavender fragrance oil and Amethyst chips and small tumble stones. Amethyst is purported to have powerful healing and cleansing abilities and is known for calming the mind with it's high spiritual vibration making it an ideal inclusion in the Evoke ritual. French Lavender is very soothing to the emotions and can assist with communication. Each candle comes with an affirmation card and is ideal when used with our Feline Botanical mists. The affirmation for Evoke is 'I connect with Spirit. I move into a space of deep gratitude, love and joyful peace'.

Please note that each candle is unique as they are handmade so there might be slight variations in the size, shape, nature and configuration of the crystals used. Each candle is made with love in Brisbane, Australia. We shipped to USA with pawsome care.

FAQs available at  
[www.kittykitchen.com.au](http://www.kittykitchen.com.au)

Please refer to our FAQs for safe use of candles with cats. We always recommend that you follow the safety instructions provided on the base of the candle, never leave the candle unsupervised, place out of reach of curious kitties and ensure there is good ventilation to avoid overwhelming the feline senses.
