

# ELITE<sup>SERIES</sup> 5

## FILTERED WHOLE OF HOUSE

# Don't Let Raw Tap Water Ruin Your Home

### Clean Drinking Water

Drinking water can still be contaminated through old, dirty pipes, ensure you and your family are drinking clean water filtered through our Wholehouse system

### Enjoy Chlorine Free Showers

Did you know we absorb more chlorine taking a 5 min shower than we do drinking 8 glasses of water? Protect your body and skin - the whole house filtration system removes and lessens your chlorine absorption

### Pure Water Through Every Tap

Wash your vegetables or cook soups and stews in clean water. Bacteria, pesticides, herbicides, nitrate, aluminium, lead and other metals are just some of the nasties that may lurk in the water supply and your family is ingesting

### Shower Scum

Experiencing water spots on your glass shower, dullness on your faucets, or pasty soap scum around your tub or sink? Our Great Water system helps softens water and prevents hard water stains and buildup over time.

### Protect Your Appliances

Build up of sediment and mineral deposits in appliances such as water kettles and dishwashers decreases the life span and effectiveness of your appliances.

For every 1mm of scaling building on your pipes, your energy consumption increases by about 10%!

### Pets Need Clean Water Too!

Ensure that your water is contaminant-free before it reaches your pet's water dish or water fountain.

OXYGENATES RE-ENERGIZES RE-STRUCTURES SOFTENS

# PURE WATER THROUGH EVERY TAP IN YOUR HOME

Inside Top of unit

### 3-Stage Industrial Grade Filtration

- 1** **10 MICRON**  
Removes dirt, rust and mud
- 2** **5 MICRON**  
Removes chlorine, pesticides and chemicals
- 3** **1 MICRON**  
Removes odour and bacteria

### Smart Design

- WEATHERPROOF STAINLESS STEEL COVER**  
UV Resistant and solid construction, shielding your unit from the elements
- BYPASS VALVES & EASY ACCESS DOORS**  
For ease of changing of filters and maintenance
- CONTROLLED PRESSURE GAUGES**  
Built-in smart gauges let you know if your filters are being blocked and eliminate the risk of bursting

### Super Dynamo Integrated Carbon Block

Using the most up to date carbon based technology, the Super Dynamo cartridge filter provides a higher efficiency of filtration to standard filters.

The Super Dynamo integrated carbon block filter combines 3 types of water filtration, making it the most advanced to date whole house treatment in removing a wide range of impurities.

### PLUS Bonus! Vortex Water Softener

Prevents scale buildup and softens water naturally. The Vortex arranges water molecules into smaller and structured live water. The result - easier absorption through your cell walls for full hydration.

**NORMALLY \$3,995**

**NOW \$1,995 +**

#### SPECIFICATIONS

Dimensions	70cm (L) x 60cm (H) x 25cm (W)
Material	Outer Casing - Stainless Steel
In/Out Port	3/4"
Cartridge Life	12-months
Cartridge Cost	\$245

12 Months Interest Free Available
