Sleep Technology™ By TEMPUR®

THE BEST NIGHT'S SLEEP BY DESIGN

Our sleep experts, designers and engineers have spent years pioneering and perfecting our signature TEMPUR® Material to ensure you receive the personalised support and outstanding comfort your body needs.

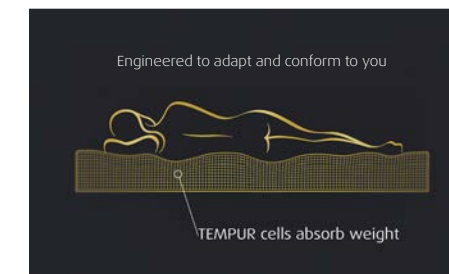

MAXIMISED PRESSURE RELIEF

TEMPUR® Material absorbs and distributes your body weight for maximum comfort.

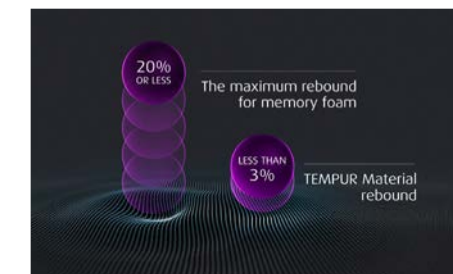

LONG-LASTING PERFORMANCE - GUARANTEED

At TEMPUR® we guarantee our mattresses with a full replacement 10 year guarantee.

PERSONALISED BODY SUPPORT

Whichever position you find most comfortable, TEMPUR® conforms to you and your body.

OUTSTANDING MOTION ABSORPTION

While standard memory foam rebounds up to 20%, TEMPUR® has a rebound of less than 3%.

FIND YOUR PERFECT PILLOW

TRADITIONAL

TEMPUR Comfort Hybrid Pillow

This pillow is designed to complement the Hybrid mattress. Combining TEMPUR Extra Soft material in a stylish geometric cover, which can be removed and washed to keep the pillow fresh and hygienic.

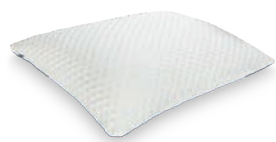

TEMPUR Comfort Cloud Pillow

This pillow perfectly matches the TEMPUR Cloud mattress. Featuring TEMPUR Extra Soft material inside for a softer initial feel, your head and neck will be cradled as the pillow conforms to your shape.

TEMPUR Comfort Sensation Pillow

This pillow perfectly matches the TEMPUR Sensation mattress. TEMPUR Micro-Cushions allows your head and neck to fully relax for a more restful sleep, providing you with a firm, yet supportive feel.

TEMPUR Comfort Original Pillow

This pillow perfectly matches the TEMPUR Original mattress. With our original TEMPUR material inside, you will enjoy it's core benefits and relax fully as it adapts to your head, neck and shoulders.

ERGONOMIC

TEMPUR Original Pillow

Our Original Pillow helps align your spine when sleeping on your back or side. It conforms to your natural curvature to help your neck and shoulder muscles relax fully to alleviate any discomfort.

TEMPUR Ombracio Pillow

The unique patented design of this pillow with notches at the sides was created specifically for stomach sleepers. TEMPUR Micro-Cushions inside allow you to find your most comfortable position.

TEMPUR Symphony Pillow

Our Symphony pillow offers a more traditional shape with gently sloping contours and a thicker profile for consistent, all night support without shifting or reshaping while you sleep.

TEMPUR Millennium Pillow

This pillow tilts forward slightly to hug your neck and shoulders when you sleep on your back or side. The contours are designed to provide proper alignment for your head, neck and shoulders.

CHOOSE YOUR FEEL, CHOOSE YOUR COLOUR

We have created four distinct mattress collections. Each feel is unique, offering a different style of comfort, but all are designed to conform and adapt to the exact shape of your body. Our colour coding system assists with the navigation of choosing your right mattress.

TEMPUR® Soft

Designed for a softer feel. Find the perfect, innovative balance of softness on top as specially designed TEMPUR® Extra Soft Material hugs the body.

TEMPUR® Medium

Designed for ease of movement. Dynamic Support Technology supports the body lightly, allowing you to move about easily, with the best comfort that only TEMPUR can provide.

TEMPUR® Firm

Designed for a firmer feel. Our firmest, most conforming mattresses precisely adapt to your shape for truly personalised comfort thanks to original TEMPUR® Material.

TEMPUR® Hybrid

Designed for a faster response. Our most innovative design yet. Discover a revolutionary combination of advanced TEMPUR® Material & the responsiveness of Precision™ Micro Coils.

TEMPUR ZERO-G

ABOUT OUR ZERO-G ADJUSTABLE BASES

Combine a high quality bed base with your TEMPUR mattress to fully enjoy the superb comfort and support it provides. The TEMPUR Zero-G adjustable bed bases enable you to raise your head, body and legs with one simple press of a button, making it more comfortable to read, watch TV or lift your tired feet for better relaxation and health benefits.

LEGS

Positioning the knees above the heart increases circulation and reduces swelling whilst strengthening vein walls.

TAILBONE

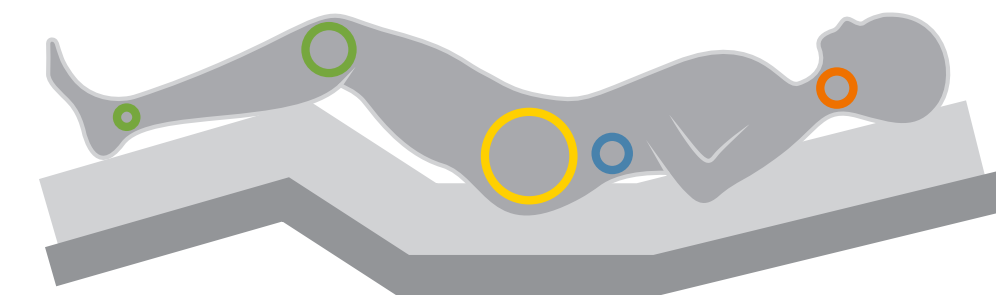

Unlike laying flat, the Zero-G position allows for optimal amount of pressure relief for the coccyx bone.

LOWER BACK

Sleeping with your legs elevated creates lower body extension which can relieve tension in the lower back.

CERVICAL SPINE

Pressure is relieved from the oesophagus which can help to reduce acid reflux and can also assist in minimising snoring.
