**CARING FOR YOUR
FURRY FRIENDS**

As a local family owned and operated business, we've been assisting homeowners across Metropolitan Perth in sharing their space with the smallest members of their family, allowing your four-legged friend to come and go as they please.

Our company specialises in total pet door solutions and manufactures Patented premium pet doors right here in Perth.

Doors 4 Pawz Pty Ltd specializes in the supply and installation of quality cat and dog doors into glass, timber and security screens along with wall liners.

Custom Acrylic Pet Doors

Our unique premium pet doors are fully certified and registered design AU Des Reg 202212651 throughout Aus/NZ.

Manufactured from Australian Premium extruded "HI-IMPACT" Acrylic, 10 times more abrasion resistance and tensile strength to standard acrylic and almost as strong as polycarbonate yet boasting the aesthetic look of glass clear face view. Australian made Dye-cut precision 316 grade Stainless Piano Hinges and Australian fixings, N35 Rare Earth Magnets in a unique adjustable design (A.M.P.S) – Adjustable Magnet Positioning System fully adjustable to combat higher wind areas and or timid pets and chrome over brass barrel locking bolts. A whisper quiet and extremely robust operation to withstand even the most excitable Mastiff!

2 Year limited WARRANTY world-wide along with Tech support and full installation instructions available.

Wall Liner

Manufactured using 10mm PVC foam which is very strong, durable, lightweight, waterproof and chemical resistant.

These stylish pet door solutions are available when glass, timber and security doors are not a real option and are available to suit wall cavity thicknesses of 100mm-200mm and 200mm-300mm adjustable inclusive of soft pet flap with magnetic closure and stable spring-loaded lock out panel to the inside of your dwelling.

Available sizes:

Small, Medium, Large and XLarge.

Available in White only.
