option!

Wombat

The Wombat UTV is a powerful electric vehicle with an AWD system that enables off-road driving for different terrains. This vehicle comes fully equipped with a winch that can pull 1500 kg and an electric dump tray that has a 500 kg maximum capacity. This vehicle is ideal for farms, acreages, parks, and private properties.

- ✓ AWD for off-road terrain
- ✓ 10" touch screen and reverse camera
- ✓ Electric rear dump tray
- ✓ 65 km/h max speed
- ✓ 100 km range

Utility Cart

This off-road electric golf cart provides a quiet, smooth ride for cruising across the golf course. However, when off the golf course, its 200 kg maximum capacity electric rear dump tray, front carry basket and impressive 500 kg towing capacity transforms it into an amazing utility cart for gardening and acreage applications.

- ✓ Rear dump tray
- ✓ 500 kg towing capacity
- ✓ Robust all terrain tyres
- ✓ Front cargo basket

Caddie 4

The Caddie 4 is an off-road electric 4-seater cart with 2 front facing seats and 2 rear facing seats. This vehicle provides plenty of storage space and includes an under-seat ice bucket for keeping your passenger's drinks nice and cool. As well as a four-person golf cart, the Caddie 4 is also a great resort vehicle, ideal for moving guests and their luggage.

- ✓ Seats 4 people comfortably
- ✓ Under seat ice bucket
- ✓ 80 km range
- ✓ Small yet spacious resort vehicle

Caddie 6

The Caddie 6 is an excellent golf and resort cart designed to comfortably transport larger groups. This eco-friendly electric vehicle includes 4 front facing seats and 2 rear facing seats as well as a large overhead canopy designed to shade and protect your passengers.

- ✓ Seats 6 people comfortably
- ✓ Adjustable seat height
- ✓ Large overhead canopy
- ✓ Front and rear facing seats
