

# metropole

known. proven. trusted.

More than just another Buyers Agent.  
We help you safely create intergenerational  
wealth through property.

Big enough to tip the scales in your favour.  
Small enough to care.

# Turn to Metropole for independent, unbiased property advice.

We offer our clients a time-tested system

We don't sell property, but have access to every property on the market

A proven track record: we've been involved in over **\$6 billion** worth of property transactions

True on-the-ground experience from our offices in Melbourne, Sydney and Brisbane

## Our Range of Services include:

### Strategic Property Advice

Buying an investment property is a process, not an event, and that's why at Metropole we always start by formulating a Strategic Property Plan for you, which is really bringing your future into the present so you can do something about it now.

Having a Strategic Property Plan means you're more likely to achieve the financial freedom you desire by growing your wealth through property faster and more safely than the average investor.

**Ask us how to get started.**

### Buyer's Agency

As Australia's leading property buyer's agency, we have been providing reliable expert service for more than 40 years and have seasoned professionals on the ground in Melbourne Sydney, and Brisbane.

Whether you are looking to buy a home or an investment property, allow us to become your unfair advantage in the competitive and sometimes complex world of property. **Enquire now!**

# Property Development

We enable you to become an “armchair developer” and get all the benefits of property development without getting your hands dirty. We take the hassles out of your investment by assisting you with all the expertise you need, from concept to completion, including construction. **Ask us how.**

# Property Management

At Metropole, we help you build your wealth by offering the best property management services available, because we are a different breed of estate agents. We do not sell real estate. We lease & manage residential properties throughout Melbourne, Sydney and Brisbane, concentrating all our resources on ensuring that your specific management needs are fulfilled.

# Wealth Advisory

At Metropole Wealth Advisory we provide tailored strategic wealth advice for high net worth individuals and their families, professionals and business owners.

We are a unique team of wealth creation, asset protection, tax, property and business specialists, the likes of which you probably have never come across before.

# Mastermind Business Accelerator

Build a business, not a job, so you can enjoy the time freedom and lifestyle choices you desire, without burning out in the process.

Mastermind Business Accelerator is a community for you if you want to leverage your business so it no longer relies on you, giving you more freedom, time and money. If you'd like to know more about growing your business without working harder, ask us how.

## **Book an obligation-free Complimentary Wealth Discovery Consultation to discuss your options**

You can trust the team at Metropole to help you outperform the average property investor and give your family the financial freedom they deserve.

We have no properties for sale, so our advice is independent and unbiased. We assist both home buyers and investors, and our services include strategic property advice, buyer's agency, property management, wealth advisory, financial planning, property development advisory and constructions, and business advisory. It's a great feeling having the team at Metropole on your side levelling the playing field.
