HIRING A PROFESSIONAL

Are you dreaming of a beautiful and durable outdoor space without the hassle of tearing up your existing surfaces?

Our revolutionary solution allows you to overlay your current surfaces, creating a stunning new aesthetic for your home.

StoneSet's unique composition allows us to lay it thick enough to utilize your current surface as a base. This means no expensive and time-consuming tear-ups!

With our fully permeable options, we can supply and install new areas that not only meet the DA requirements, but also offer additional drainage solutions and environmental benefits.

FOR SMALLER DIY JOBS

Are you tired of spending countless hours maintaining your decorative pebble and loose stone landscaping? Look no further!

StoneSet is here to revolutionize your DIY landscaping experience with our innovative Pour On Gravel Binder.

 POUR ON
Gravel Binder

At StoneSet, your project is our top priority. We take immense pride in providing customers with an extraordinary experience, starting from the initial contact all the way to installation and beyond. Reach out to our team today for expert advice and pricing with no obligations – we can't wait to hear from you!

StoneSet **DIY**

Our DIY stone and resin kits are designed with your convenience in mind. Simply prepare the mix and lay it down – it's that simple!

Whether you're looking to rejuvenate your existing hard surface, such as concrete or tiles, or add those final finishing touches to your landscaping project, our one part resin and stone kit is perfect for the job.
