

# CALM K9 HEMP CHEWS FOR PETS

.Calm K-9 is a Hemp herbal remedy for dogs over 18 weeks of age, suffering with pain, exhibiting anxiety or responding to stress such as separation, travel, grooming, hyperactivity, vet visits & storms.

- **Anxiety & Behaviour**
- **Travel, Vet visits, Storms**
- **Pain Relief**

Hemp is a natural anti-inflammatory and can assist your dog with any inflammation based pain. L-Tryptophan is a serotonin booster that will greatly help relieve your dog's stress.

Our hemp chews have no artificial flavours, THC, preservatives, hormones, soy, corn, dairy or sugar. You can give them to cats and the same directions for use apply as the formula is weight based.
