

Laundry

COLLECTION by Newtech

Our range of Eco-Laundry Packages are designed to suit your space with additional add-on storage options, making it easy for you to create your new laundry. The Laundry Collection features a new colour range and is Designed & Assembled in NZ by our team of designers and cabinetmakers.

Designed & Assembled in NZ

The *Laundry Collection* is designed and assembled in Whanganui, NZ by our hardworking team of qualified designers and cabinetmakers from local and imported material.

Hettich Hardware

Laundry units are designed with Hettich hardware and backed by a lifetime warranty. Soft close hinges & drawer runners, and push-to-open cupboard door hinges provide day-in, day-out seamless operation.

Highly Durable Benchtops

Quartz Slab Tops offer pure luxury while offering a highly durable and low maintenance surface. Coming soon to our benchtop range is our Acrylic Solid Surface Slab Top offering a non-toxic and highly durable material ideal for high traffic areas.

Designed for Your Space

All Laundry Packages offer full design flexibility to suit your space with practical upgrade storage options. Add on as many or as few additional laundry components.

Flexible Packages

Newtech's pre-designed packages offer flexible design options to suit. Designed for small, medium or large spaces.

Melamine Finish

Our laundry cabinets are highly durable and made from easy-to-clean MR board.

Select from one of our pre-designed laundry packages with the flexibility to choose the cabinetry colour, benchtop and handles or extrusions to suit your space. All our laundry packages are priced to include cabinetry, benchtop, handles or extrusions and a stainless steel sink.

-  A wide range of small to large pre-designed packages sized from 900mm to 2590mm
-  Design flexibility within each package
-  12 unique solid and woodgrain colours to choose from
-  Cabinets, benchtops, stainless steel sink are included in the price - sink mixers are sold separately.
-  A left/right/centre sink placement option (depending on size) is available throughout the packages
-  All cabinets are fully assembled and ready for installation (we recommend installation by a licensed building practitioner)

20mm Benchtop Options.

New to our benchtop range is our **Acrylic Solid Surface Slab Top** option engineered from a combination of natural minerals and resin. Solid Surface is a non-toxic and highly durable material that is ideal for a high traffic area. **Quartz Slab Tops** are constructed from one of nature's hardest minerals. Also commonly known as engineered stone, these tops are pure luxury while offering a highly durable and low maintenance experience. Designed with speckled flecks and marbled veins help to create rich depth and dimension.

Warranty Information.

This warranty covers the Laundry Collection by Newtech and applies to defects which have arisen solely from faulty materials or workmanship in the products and does not apply to other defects which may have arisen as a result of, without limitation, the following: accidental damage, abuse, misuse, maltreatment, abnormal stress or strain, harsh or adverse weather conditions, including excessive water pressure or temperature, or neglect of any kind.

Newtech Laundry products installed in light commercial and or commercial situations are void of the residential warranty and covered for 12 months from date of purchase. Commercial situations are defined as public washrooms, public buildings, schools, sports centres, gymnasiums, hospitals, motels, hotels and retirement villages.

Alterations and repairs of the products performed by someone other than a Newtech pre-approved service person are not covered. For the avoidance of doubt, attachment of accessories or use of non-genuine replacement parts other than those manufactured or approved by Newtech are not covered by this warranty.

This warranty commences from date of purchase or for new buildings on the date of handover for the relevant period set out in the warranty periods table.

In addition to this extended warranty, certain legislation may give you certain rights which cannot be excluded, restricted or modified. This extended warranty must be read subject to NZ laws, and nothing in this warranty has the effect of excluding, restricting or modifying those rights. Newtech warranty periods are dependent on date of purchase and may be different to what is stated in this publication.

WARRANTY CLAIMS

To make a warranty claim, the following documentation must be emailed or faxed to Newtech (contact details listed below):

- Name/model of product and photographs of the issue (if available)
- Proof of installation (by a licensed plumber) and/or proof of purchase
- Your contact details: name, address and contact phone number
- A copy of handover documentation is required for new homes

Consequential loss to the extent permitted by law; Newtech will not be liable for any loss or damage to furniture, floor coverings, walls, fixtures or any other consequential loss of any kind caused by any defect in the products or components.

Warranty Certificate or equivalent documentation must be supplied for warranty claims to be considered. If the cost of returning any defective parts is unreasonable, please contact Newtech on the telephone number listed below so that, if appropriate, we can arrange a collection.
