SUPER-STRONG 23MM FIBREGLASS CANOPY ARMS

BUILT TOUGH FOR WINDY LOCATIONS

The Riviera is developed for commercial and windy environments. We have constructed the canopy arms out of super-strong 23mm diameter fibreglass. This means that the arms can bend considerably without being damaged, making the Riviera ideal for windy locations and commercial environments.

LIMITED EDITION BLACK FRAME

Introducing our Limited Edition Black Frame Riviera. Available only in the 3.5m Octagonal size. All frame components are black, giving not only a unique modern look, but also adding true wow-factor to any environment.

Black Frame Riviera with Charcoal R770 fabric. Installed at Tairua Beach, Coromandel.

FEATURES

Every component of the Riviera umbrella has been carefully developed and engineered to be strong and durable. At the same time we have designed the umbrella to have a sleek and clean appearance, free of unnecessary clutter.

CANOPY FABRIC

EUROPEAN MADE, 100% SOLUTION-DYED, ACRYLIC CANVAS.

Our premium marine-grade fabric comes with a 10 year warranty and has the best available colour fastness rating of 7-8 out of 8*. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.

*Colours with red colour pigmentation (red, orange, yellow etc) will have lower colour fastness than other colours and will show some fading earlier.
